ANNUAL TOWN MEETING

ESSEX, SS.

March 1, 1915.

To W. Charles Sellick, Constable of the Town of Saugus:

GREETING :

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus qualified to vote in Town affairs to meet at the several voting precincts in the Town on Monday, March First, A. D. nineteen hundred and fifteen, at five forty-five o'clock A. M., then and there to bring in their ballots to the Wardens for the following Town officers :

Town Clerk, three Selectmen, three Overseers of the Poor, Treasurer, Auditor, Constable, Collector of Taxes, Tree Warden, one Finance Committee, for one year; two Finance Committee for two years; one Assessor, one Sinking Fund Commissioner, two Trustees of Public Library, one Board of Health, one Water Commissioner, two School Committee, one Cemetery Commissioner, three Finance Committee, for three years.

Also your "Yes" or "No" to the following question: Shall License be granted for the sale of intoxicating liquors in the Town for the ensuing year?

Also to appear at the Town Hall on Monday evening, March eighth, A. D., nineteen hundred and fifteen, at eight o'clock, to hear and act on the following articles, viz. :

ARTICLE 1. To choose a Moderator to preside at said meeting.

ART. 2. To hear reports of Committees.

ART. 3. To choose all other Town Officers which Towns are, by law, required to choose in the months of March and April annually.

ART. 4. To hear and act upon the report of the Finance Committee.

ART. 5. To see if the Town will vote to accept Section 42 of Chapter 49 of the Revised Laws of the Commonwealth of Massachusetts and Chapter 216 of the Acts of the Legislature of Massachusetts of the year 1908, or to see what action the Town will take in the matter.

ART. 6. To see if the Town will appropriate the sum of \$5,000 for the construction of sidewalks of brick, stone, concrete or other material of similar lasting character, to be located in such places in the Town as the Selectmen may determine, or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

ART. 7. To see if the Town will appropriate and raise by borrowing \$5,000 for the construction of sidewalks of brick, stone, concrete or other material of similar lasting character and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petition of George Quarmby and others.

ART. 8. To see if the Town will vote to construct in the Town a sewer for sanitary and surface drainage and sewage disposal to be constructed on Lincoln avenue, Bristow street, Winter street, Lynnhurst and other places, or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

ART. 9. To see if the Town will appropriate and raise by borrowing the sum of \$5,000 for the construction in the Town of a sewer for sanitary and surface drainage and sewage disposal to be constructed on Lincoln avenue, Bristow street, Winter street, Lynnhurst and other places, and to issue bonds of the Town therefor and to define the terms and time of payment of said bonds, or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

ART. 10. To see if the Town will vote to purchase departmental equipment for the Street Department, to wit: One stone crusher for a sum not exceeding \$2,300, or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

ART. 11. To see if the Town will vote to purchase departmental equipment for the Street Department, to wit: One Automatic Oil Distributor for a sum not exceeding \$650, or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

ART. 12. To see if the Town will appropriate and raise by borrowing \$650, to be used for payment of the cost of departmental equipment for the Street Department, to wit: One wagon for oiling streets, and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petition of George Quarmby and others.

ART. 13. To see if the Town will vote to purchase departmental equipment for the Police Department, to wit: One Police ambulance at a cost not to exceed \$3,500, or to see what action the Town will take in the matter, agreeable to the petition of Charles O. Thompson and others.

ART. 14. To see if the Town will vote to appropriate and raise by borrowing the sum of \$3,500 for part payment of departmental equipment for the Police Department, to wit: One Police Ambulance, and to issue bonds therefor and define the terms and time of payment of said bonds or take any action in relation thereto, agreeable to the petition of Charles O. Thompson and others.

ART. 15. To see if the Town will appropriate and raise by borrowing \$6,000 to be used for payment of the cost of departmental equipment for the Fire Department, to wit: An Auto Combination Hose and Chemical, and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petition of Ernest Stuart and others.

ART. 16. To see if the Town will appropriate and raise by borrowing \$7,000, to be used for payment of the cost of departmental equipment for the Fire Department, to wit: An Auto Combination Hook and Ladder Truck and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petition of Ernest Stuart and others.

ART. 17. To see if the Town will appropriate and raise by borrowing \$2,700 to be used for payment of the cost of departmental equipment for the Fire Department, to wit: Fire Hose,

and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petition of Ernest Stuart and others.

ART. 18. To see if the Town will appropriate and raise by borrowing \$19,850 to be used for payment of the cost of departmental equipment as called for under articles 12, 14, 15, 16, 17, and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petitions of George Quarmby, Charles O. Thompson, Ernest Stuart and others.

ART. 19. To see if the Town will vote the sum of \$25,000 for the purpose of acquiring land and the construction of a three way Fire House, agreeable to the petition of Ernest Stuart and others.

ART. 20. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to make a loan of twenty-five thousand dollars (\$25,000) for the purpose of acquiring land and the construction of a three way Fire House, and to issue bonds of the Town therefor and to define the terms and time of payments of said bonds or to take any action in relation thereto, agreeable to the petition of Ernest Stuart and others.

ART. 21. To see if the Town will appropriate the sum of \$600 for the purchase and spreading upon the sidewalks twenty car loads of cinders, agreeable to the petition of Charles N. Wormstead and others.

ART. 22. To see if the Town will appropriate the sum of six hundred and fifty dollars (\$650) to complete the grading of Prospect street from Central street to the house of L. Green, a distance of 600 feet, or to see what action the Town will take in the matter, agreeable to the petition of William King and others.

ART. 23. To see if the Town will vote to appropriate the sum of \$700 to install a system of drainage from Cleveland avenue through Washington avenue, to the Lynn line, with the necessary catch basin, agreeable to the petition of Charles N. Wormstead and others.

ART. 24. To see if the Town will appropriate a sum of money to install a drainage system on Bristow street, and make an appropriation for the same, or to see what action the town will take in the matter, agreeable to the petition of Peter DeFronzo and others.

ART. 25. To see if the Town will appropriate the sum of \$250 to purchase a calculating machine for the Assessors' office, agreeable to the petition of Lewis J. Austin and others.

ART. 26. To see if the Town will appropriate the sum of \$300 for the benefit of Athletics in the Saugus High School, agreeable to the petition of Frank B. Sloan and others.

ART. 27. To see what action the Town will take, if any, with regard to the planting of shade trees, and to appropriate at least \$150 for this purpose that the Town might enter the Shade Tree Planting Contest conducted by the Massachusetts Forestry Association, agreeable to the petition of Thomas E. Berrett and others.

ART. 28. To see if the Town will make an appropriation to be expended under the direction of a committee already appointed for celebrating the one hundredth anniversary of the incorporation of the Town of Saugus in 1815, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett, Jr., and others.

ART. 29. To see if the Town will vote to install a Fire Alarm Box at the corner of Summit and Ocean View avenues, and make an appropriation for the same, agreeable to the petition of Angelo Rossetti and others.

ART. 30. To see if the Town will vote to install a Fire Alarm Box at the corner of Ballard street and Houston avenue, and make an appropriation for the same, agreeable to the petition of William J. Phelan and others.

ART. 31. To see if the Town will make an appropriation for a Fire Alarm Box to be located on Saugus avenue, about half-way between the Old Saugus Race Track and Morton avenue, agreeable to the petition of Vito A. Lespasio and others, or to see what action the Town will take in the matter.

ART. 32. To see if the Town will instruct the Selectmen to locate incandescent lights in the following places, and make an appropriation therefor, viz.: Two on Kent street, one to be placed midway between Lincoln avenue, and the point where Kent street turns at right angles; the other to be placed at the point where Kent street turns at right angles; one at the corner

of Basswood and Aberdeen avenues; one on Aberdeen avenue, opposite lot No. 190; one on Aberdeen avenue, opposite the residence of R. W. Wallace; one at the corner of Oak Crest and Walnut streets; one at corner of Oak Crest and Fairmount avenue; one on Sterling avenue; one on Fairchild avenue; one on Reservoir avenue; one on Lenox avenue; two on Blue Ridge avenue; one on Wickford street, about 300 feet from Bristow street; one on Harlow street, about 300 feet from Bristow street; one on Main street, near the residence of William G. Habblitz; one on Main street, opposite Castle Rock; three on Water street, between Parker's turnout and site of Howlett's Mill; one at corner of Victor and Allard streets; one at corner of Springdale avenue and Lander street; one at corner of View and Hillcrest streets; one on Pine View street, 175 feet from Winter street; one on Burnham street, agreeable to the petition of Frederick H. Griswold, Benjamin A. Richardson, William G. Habblitz, Andrew Cogliano, Allison Maddocks, Ralph W. Wallace, Harry T. McWilliams, Harold T. Sprague.

ART. 33. To see if the Town will vote to purchase the lots of land situated at the junction of Central street and the Boston & Maine railroad location in Saugus Center and bounded and described as in Article 35 of this Warrant. And to hold the same for a public playground and to appropriate from the Town funds a sum of money not exceeding seventeen hundred dollars to pay for said lots, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer and others.

ART. 34. To see if the Town will appropriate from the Town funds a sum of money not exceeding the sum of five hundred dollars for the purpose of improving as a public playground the lots of land described in the foregoing article, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer and others.

ART. 35. To see if the Town will vote to purchase the lots of land below described, situated at the junction of Central street and the Boston & Maine Railroad location in Saugus Center and bounded and described substantially as follows, to wit:

First: A certain parcel of land situated in that part of Saugus known as Saugus Center and bounded, northerly by the

location of the Boston & Maine Railroad Company about five hundred and forty (540) feet; westerly by Central street about sixty-five (65) feet; southerly by the center of the old brook about five hundred and seventy (570) feet; and easterly by said brook about sixty-seven (67) feet, containing in all about 50,000 square feet of land, be all said contents or measurements more or less, or however otherwise said premises may be bounded and described. Said premises being now owned by the Boston & Maine Railroad.

Second: Another parcel of land situated southerly on the premises first described and bounded and described as follows: Beginning at the northeasterly corner of the granted premises at a point in the middle of the brook; thence running southwest-erly about three hundred and fifty-two and ninety-five one-hundredths (352.95) feet to a jog; thence turning and running in a northwesterly direction at right angles with the last mentioned line fifty (50) feet; thence turning and running in a southwesterly direction at right angles with last mentioned line to Winter street one hundred (100) feet; thence turning at right angles and running in a northwesterly direction along the line of said Winter street two hundred and thirty-three and 50-100 (233.50) feet; thence running on a slightly curved line along Winter street and Central street one-hundred and twenty-two and 50-100 (122.50) feet; thence turning and running in northerly direction along the line of said Central street one hundred and forty and 6-100 (140.06) feet; thence turning and running at right angles with said Central street in an easterly direction sixteen and 75-100 (16.75) feet; thence turning and running in a southeasterly direction thirty-three and 60-100 (33.60) feet; thence turning and running in a southerly direction thirty-one (31) feet to the center of the brook first mentioned; thence turning and running along the center of said brook in an irregular line to the point of beginning and containing in all 106,608 square feet. Be all said contents or measurements more or less, or however otherwise said premises may be bounded or described. Said premises are supposed to be owned by the estate of C. W. Wilson. And to hold the same for a public playground and to authorize the Treasurer and Selectmen in the name and behalf of the Town to borrow a sum of money not exceeding seventeen hundred dollars to pay for said lots and issue the notes or bonds of the Town therefor. Said loan to conform to the provisions of Revised Laws of Massachusetts and amendments thereto, or to see what action the

Town will take in the matter, agreeable to the petition of Joseph G. Bryer and others.

ART. 36. To see if the Town will borrow a sum of money not exceeding the sum of five hundred dollars for the purpose of improving as a public playground the lots of land described in the foregoing article and to issue the note or notes or bond or bonds of the Town therefor, to be signed in the name and behalf of the Town by the Treasurer and Selectmen and to conform to the provisions of the Revised Laws of Massachusetts and amendments thereto, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer and others.

ART. 37. To see if the Town will appropriate the sum of \$105.47 to pay taxes for the year 1914, on unredeemed tax titles taken by the Town.

ART. 38. To see if the Town will appropriate the sum of \$1,589.02 for insurance on Town buildings and property for the year 1915, the same to be expended under the direction of the Selectmen.

ART. 39. To see if the Town will appropriate the sum of nine hundred dollars (\$900) to protect itself from all liability imposed under the Workmen's Compensation Act and Amendments thereto, also the public liability for which the Town may be liable, agreeable to the petition of George Quarmby.

ART. 40. To see if the Town will appropriate the sum of \$3,196.23 to cover the amount due on unpaid bills January 1, 1915.

ART. 41. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.

ART. 42. To see what compensation the Town will give the Collector for collecting the taxes of 1915.

ART. 43. To see what action the Town will take in relation to the collection of taxes assessed for the year 1915.

ART. 44. To hear and act on the report of the By-Law Committee appointed by the Moderator under Article 34, in the Town warrant of March 9, 1914.

ART. 45. To see if the Town will vote to accept so much of Section 37, Chapter 19, of the Revised Laws as apply to permanent firemen, or to see what action the Town will take in the matter.

ART. 46. To see if the Town will vote to accept Chapter 191, of the Acts of the Legislature of Massachusetts of the year 1907, entitled "An act to authorize the Establishment of Board of Survey in Towns."

ART. 47. To see if the Town will authorize the Board of Selectmen to refund the following Water Debt of the Town of Saugus, to wit: \$5,000 due 1916; \$10,000 due 1917; \$7,000 due 1918; \$6,500 due 1919; \$3,000 due 1920. Said board to report at this or a future Town Meeting, agreeable to the petition of William H. Small.

ART. 48. To see if the Town will petition the Legislature of this Commonwealth to grant the Town a special charter for a commission form of government, or to see what action the Town will take relating thereto, agreeable to the petition of William H. Small.

ART. 49. To see if the Town will appoint a committee of ten citizens to examine into operation and expenses of the School Department, especially to ascertain if possible whether the schools should not be properly maintained on a basis of tax rate not exceeding \$8.00 per thousand on our valuation. Said Committee to consist of the Board of Selectmen, two members of the Finance Committee and five citizens to be appointed by the Moderator, or to see what action the Town will take in relation thereto, agreeable to the petition of William H. Small.

ART. 50. To see if the Town will accept Houston avenue, beginning at a point on Ballard street and running northeasterly a distance of 1,083.87 feet, as per plan and specifications filed with the Town Clerk.

ART. 51. To see if the Town will vote to change its voting precincts according to a statement giving the boundaries, the designation of the proposed precincts and number of voters registered in each, and filed with the Town Clerk as called for under Section 167, Chapter 11, of the Revised Laws.

ART. 52. To see if the Town will appropriate and raise by borrowing \$15,000.00 for water supply purposes under authority of Chapter 133 of the acts of 1914 of the Massachusetts Legislature, or take any action in relation thereto, agreeable to the petition of Robert T. Allen and others.

ART. 53. To see if the Town will appropriate the sum of \$14,542.52, the same to be used in lieu of the income of the Water Department to pay interest and principal of maturing bonds issued under authority of Chapter 91, Section 2, of the Acts of 1911 and of Chapter 133, of the Acts of 1914, of the Legislature of Massachusetts and for the maintenance and general account of the department, or to see what action the Town will take in the matter, agreeable to the petition of Robert T. Allen and others.

ART. 54. To see if the Town will appropriate the sum of \$500 for a new flag pole to be erected on Small Common in Franklin square, East Saugus, Mass., agreeable to the petition of Horace H. Atherton, Jr. and others.

ART. 55. To see if the Town will accept Beech street, beginning at the junction of Beech and Vine streets and running thence easterly to a point 325 feet, east of Elmwood avenue, a total distance of 695 feet, according to plan and specifications filed with the Town Clerk.

ART. 56. To see if the Town will vote to abolish the office of Auditor, according to Chapter 624 of the Acts of 1910.

ART. 57. To see what sum of money the Town will appropriate and raise by taxation for Town charges and for any other purpose for which the Town may lawfully expend money.

The Polls will open at 5.45 o'clock A. M., and may close at 4.30 P. M., and you are hereby directed to serve this Warrant by posting attested copies at the usual places seven days at least before the time of holding said meeting, and to distribute copies as provided by the By-Laws at least four days before.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this fifteenth day of February, A. D., nineteen hundred and fifteen.

[Town Seal]

GEORGE QUARMBY,
WALTER SPRAGUE,
GEORGE L. NOURSE,

Board of Selectmen.

A true copy. Attest :

W. CHARLES SELICK,
Constable.

HENRY A. PARKER,
Town Clerk.

ANNUAL TOWN MEETING.

March 8, 1915.

The meeting was called to order at eight o'clock P. M., by Town Clerk, Henry A. Parker, who read the Warrant, omitting the reading of the articles as upon motion which was carried that the reading of the articles be dispensed with.

ARTICLE 1. To choose a Moderator to preside at said meeting.

Chose Thomas P. Parsons, who, after being duly qualified by the Town Clerk, took charge of the meeting.

ART. 2. To hear reports of Committee.

Report of the committee for the acceptance of so much of Section 37, of Chapter 19, of the Revised Laws as apply to the Fire Department, was read and voted to lay on the table.

Report of the committee of ten citizens for the purpose of examining into the question of a future form of government suitable for the Town was read and voted to lay on the table.

ART. 3. To choose all other Town Officers which Towns are, by law, required to choose in the months of March and April annually.

Chose, Carl F. Koch, Pound Keeper; Willie M. Penney, Daniel S. Bannon, Charles L. Putney, Field Drivers; Frank H. Coburn, Herver Upham, Fence Viewers; Herbert O. Pratt, Frank H. Coburn, Frederic Stocker, Measurers of Wood and Bark; Board of Selectmen as appraisers of Town Property.

ART. 4. To hear and act upon the report of the Finance Committee.

Voted, To waive the reading of the Finance Committee report.

Moderator appointed and swore in the following citizens as tellers: Frank E. Parker, Frank B. Sloan, Edgar B. Oliver, Ulric B. F. A. Jenkins.

Motion to take up Article No. 49 was not carried.

Motion to take up Article No. 57 was not carried.

ART. 5. To see if the Town will vote to accept Section 42 of Chapter 49 of the Revised Laws of the Commonwealth of Massachusetts and Chapter 216 of the Acts of the Legislature of Massachusetts of the year 1908, or to see what action the Town will take in the matter.

Voted, To indefinitely postpone.

ART. 6. To see if the Town will appropriate the sum of \$5,000 for the construction of sidewalks of brick, stone, concrete or other material of similar lasting character, to be located in such places in the Town as the Selectmen may determine, or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

Voted, To indefinitely postpone.

ART. 7. To see if the Town will appropriate and raise by borrowing \$5,000 for the construction of sidewalks of brick, stone, concrete or other material of similar lasting character and to issue bonds of the Town therefor, or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

Voted, To indefinitely postpone.

ART. 8. To see if the Town will vote to construct in the Town a sewer for sanitary and surface drainage and sewage disposal to be constructed on Lincoln avenue, Bristow street, Winter street, Lynnhurst and other places, or to see what action the Town will take in the matter agreeable to the petition of George Quarmby and others.

Voted, To indefinitely postpone.

ART. 9. To see if the Town will appropriate and raise by borrowing the sum of \$5,000 for the constructing in the Town of a sewer for sanitary and surface drainage and sewerage disposal to be constructed on Lincoln avenue, Bristow street, Winter street, Lynnhurst and other places and to issue bonds of the Town therefor and to define the term and time of payments of said bonds, or to see what action the Town will take in the matter agreeable to the petition of George Quarmby and others.

Voted, To indefinitely postpone.

ART. 10. To see if the Town will vote to purchase departmental equipment for the Street Department, to wit: one stone crusher for a sum not exceeding \$2,300 or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

Voted, To indefinitely postpone.

ART. 11. To see if the Town will vote to purchase departmental equipment for the Street Department, to wit: one Automatic Oil Distributor for a sum not exceeding \$650 or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

Voted, To indefinitely postpone.

ART. 12. To see if the Town will appropriate and raise by borrowing \$650 to be used for payment of the cost of departmental equipment for the Street Department, to wit: one wagon for oiling streets, and to issue bonds of the Town therefor, or to see what action the Town will take in the matter, agreeable to the petition of George Quarmby and others.

Voted, To indefinitely postpone.

ART. 13. To see if the Town will vote to purchase departmental equipment for the Police Department, to wit: one Police Ambulance at a cost not to exceed \$3,500, or to see what action the Town will take in the matter, agreeable to the petition of Charles O. Thompson and others.

Voted, To indefinitely postpone.

ART. 14. To see if the Town will vote to appropriate and raise by borrowing the sum of \$3,500, for part payment of departmental equipment for the Police Department, to wit: one Police Ambulance and to issue bonds therefor and to define to terms and time of payment of said bonds or take any action in relation thereto, agreeable to the petition of Charles O. Thompson and others.

Voted, To indefinitely postpone.

ART. 15. To see if the Town will appropriate and raise by borrowing \$6,000 to be used for payment of the cost of departmental equipment for the Fire Department, to wit: an Auto Combination Hose and Chemical and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petition of Ernest Stuart and others.

Voted, To indefinitely postpone.

ART. 16. To see if the Town will appropriate and raise by borrowing \$7,000, to be used for payment of the cost of departmental equipment for Fire Department, to wit: an Auto Combination Hook and Ladder Truck and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petition of Ernest Stuart and others.

Voted, To indefinitely postpone.

ART. 17. To see if the Town will appropriate and raise by borrowing \$2,700, to be used for payment of the cost of departmental equipment for the Fire Department, to wit: Fire Hose, and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petition of Ernest Stuart and others.

Voted, That the sum of \$1,200, be and hereby is appropriated for the purchase of Fire Hose, for the Fire Department.

Voted, To adjourn at 10.20 P. M., to Tuesday, March 9, at 8. P. M.

ART. 18. To see if the Town will appropriate and raise by borrowing \$19,850, to be used for payment of the cost of department equipment, as called for under Articles 12, 14, 15,

16, 17, and to issue bonds of the Town therefor, or to take any action in relation thereto, agreeable to the petitions of George Quarmby, Charles O. Thompson, Ernest Stuart and others.

Voted, To indefinitely postpone.

ART. 19. To see if the Town will vote the sum of \$25,000 for the purpose of acquiring land and the construction of a three-way fire house agreeable to the petition of Ernest Stuart and others.

Voted, To indefinitely postpone.

ART. 20. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to make a loan of \$25,000 for the purpose of acquiring land and the construction of a three-way fire house, and to issue bonds of the Town therefor, and to define the terms and time of payment of said bonds, or to take any action in relation thereto, agreeable to the petition of Ernest Stuart and others.

Voted, To indefinitely postpone.

ART. 21. To see if the Town will appropriate the sum of \$600 for the purchase and spreading upon the sidewalks twenty carloads of cinders, agreeable to the petition of Charles N. Wormstead and others.

Voted, To indefinitely postpone.

ART. 22. To see if the Town will appropriate the sum of six hundred and fifty dollars (\$650) to complete the grading of Prospect street from Central street to the house of L. Green, a distance of 600 feet, or to see what action the Town will take in the matter, agreeable to the petition of William King and others.

Voted, To indefinitely postpone.

ART. 23. To see if the Town will appropriate the sum of \$700, to install a system of drainage, from Cleveland avenue through Washington avenue, to the Lynn line, with the necessary catch basin, agreeable to the petition of Charles N. Wormstead and others.

Voted, To indefinitely postpone.

ART. 24. To see if the Town will appropriate a sum of money to install a drainage system on Bristow street, and make an appropriation for the same, or to see what action the Town will take in the matter, agreeable to the petition of Peter DeFronzo and others.

Voted, To indefinitely postpone.

ART. 25. To see if the Town will appropriate the sum of \$250 to purchase a calculating machine for the Assessors' office, agreeable to the petition of Lewis J. Austin and others.

Voted, To indefinitely postpone.

ART. 26. To see if the Town will appropriate the sum of \$300 for the benefit of Athletics in the Saugus High School, agreeable to the petition of Frank B. Sloan and others.

Voted, To indefinitely postpone.

ART. 27. To see what action the Town will take, if any, with regard to the planting of shade trees, and to appropriate at least \$150 for this purpose, in order that the Town might enter the Shade Tree Planting Contest, conducted by the Massachusetts Forestry Association, agreeable to the petition of Thomas E. Berrett and others.

Voted, To indefinitely postpone.

Charles N. Wormstead gave notice that he should reconsider Article 23.

ART. 28. Under discussion at the time it was voted to adjourn.

Adjourned at 10.20 P. M., to March 9, 1915, at 8 o'clock P. M.

A true copy. Attest :

HENRY A. PARKER,

Town Clerk.

Adjourned Town Meeting.

March 9, 1915.

Meeting called to order by the Moderator at 8 o'clock P. M.

Voted, To waive the reading of records of last meeting.

ART. 28. To see if the Town will make an appropriation to be expended under the direction of a committee already appointed for celebrating the one hundredth anniversary of the incorporation of the Town of Saugus in 1815, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett, Jr., and others.

Voted, To indefinitely postpone.

Moderator appointed and swore in William F. Belcher and Edwin K. Hayden as Tellers.

Voted, To adjourn at 10.20 P. M. to Monday, March 15, at 8 o'clock P. M.

ART. 29. To see if the Town will vote to install a fire alarm box at the corner of Summit and Ocean View avenues, and make an appropriation for the same, agreeable to the petition of Angelo Rossetti and others.

Voted, To indefinitely postpone.

ART. 30. To see if the Town will vote to install a Fire Alarm Box at the corner of Ballard street and Houston avenue, and make an appropriation for the same, agreeable to the petition of William J. Phelan and others.

Voted, That the sum of \$100 be and is hereby appropriated for the installation of a Fire Alarm Box, to be located at the corner of Ballard street and Houston avenue, as called for in Article 30.

ART. 31. To see if the Town will make an appropriation for a Fire Alarm Box to be located on Saugus avenue, about half way between the Old Saugus Race Track and Morton avenue, agreeable to the petition of Vito A. Lespasio and others, or to see what action the Town will take in the matter.

Voted, To indefinitely postpone.

ART. 32. To see if the Town will instruct the Selectmen to locate incandescent lights in the following places, and make an appropriation therefor, viz.: Two on Kent street, one to be placed midway between Lincoln avenue and the point where Kent street turns at right angles; the other to be placed at the point where Kent street turns at right angles; one at the corner of Basswood and Aberdeen avenues; one on Aberdeen avenue, opposite lot No. 190; one on Aberdeen avenue, opposite the residence of R. W. Wallace; one at the corner of Oakcrest and Walnut streets; one at corner of Oakcrest and Fairmount avenue; one on Sterling avenue; one on Fairchild avenue; one on Reservoir avenue; one on Lenox avenue; two on Blue Ridge avenue; one on Wickford street, about 300 feet from Bristow street; one on Harlow street about 300 feet from Bristow street; one on Main street, near the residence of William G. Habblitz; one on Main street, opposite Castle Rock; three on Water street, between Parker's turnout and site of Howlett's Mill; one at corner of Victor and Allard streets; one at corner of Springdale avenue, and Lander street; one at corner of View and Hillcrest streets; one on Pine View street, 175 feet from Winter street; one on Burnham street; agreeable to the petition of Frederick H. Griswold, Benjamin A. Richardson, William G. Habblitz, Andrew Cogliano, Allison Maddocks, Ralph W. Wallace, Harry T. McWilliams, Harold T. Sprague and others.

Voted, To refer to the Board of Selectmen.

ART. 33. To see if the Town will vote to purchase the lots of land described in Article 35, for a Public Playground.

Voted, To indefinitely postpone.

Voted, That a Committee of five citizens be appointed to investigate the advisability of purchasing land for playground purposes and if advisable to recommend a suitable site for the same. Said Committee to report back to the citizens at the next Annual Town Meeting. The following citizens were appointed by the Moderator: George L. Nourse, Joseph G. Bryer, Edwin K. Hayden, Henry A. B. Peckham, Horace A. Nowell.

ART. 34. Voted, To indefinitely postpone.

ART. 35. Voted, To indefinitely postpone.

ART 36. Voted, To indefinitely postpone.

ART. 37. To see if the Town will appropriate the sum of \$105.47 to pay taxes for the year 1914, on unredeemed tax titles taken by the Town.

Voted, That the sum of \$105.47 be and is hereby appropriated for taxes for the year 1914, on unredeemed tax titles taken by the Town.

ART. 38. To see if the Town will appropriate the sum of \$1,589.02 for insurance on Town buildings and property for the year 1915, the same to be expended under the direction of the Selectmen.

Voted, That the sum of \$1,589.02 be and is hereby appropriated for insurance on Town buildings and property for the year 1915, same to be expended under the direction of the Selectmen.

ART. 39. To see if the Town will appropriate the sum of \$900 to protect itself from all liability imposed under the Workman's Compensation Act and Amendments thereto, also the public liability for which the Town may be liable, agreeable to the petition of George Quarmby.

Voted, To indefinitely postpone.

ART. 40. To see if the Town will appropriate the sum of \$3,196.23, to cover the amount due on unpaid bills January 1, 1915.

Voted, That the sum of \$3,180.02 be and is hereby appropriated for unpaid bills of 1914, as follows: Accounts Payable, Board of Health, \$471.42; Fire Department, \$303.80; Forest Warden, \$75; Saugus Home, \$1,119.40; Total, \$1,969.62. General Government, Moderator, \$30; Collector, \$195.05; Election and Registration, \$60.15; Town Hall, \$26.40; Tax Title, \$5.15; Total, \$316.75. Health and Sanitation, Board of Health, \$219; Inspector of Plumbing (salary from October 31st to December 31st), \$67.11; Inspector of Plumbing, expenses, \$13.07. Total, \$289.18. Highways, Highway, \$3; Snow and Ice, \$10.80 and \$13.40. Total, \$27.20. Charities, Overseers of the Poor, \$182.14. Total, \$182.14. Education, Schools, \$52.46; Lynnhurst, \$17.50. Total, \$69.96. Water Maintenance, \$315.17. Total, \$3,180.02.

ART. 41. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.

Voted, that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1915, and to issue a note or notes therefor, payable within one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year. Yeas, 98. Nays, 3.

ART. 42. To see what compensation the Town will give the Collector for collecting the taxes of 1915.

Voted, That the Tax Collector be paid three-fourths of one per cent on all 1915 taxes collected.

ART. 43. To see what action the Town will take in relation to the collection of taxes assessed for the year 1915.

Voted, That the Poll Taxes for the year 1915 be due and payable July 1, 1915, and interest of six per cent be charged on all unpaid taxes in conformity with the Acts of the Legislature of 1913.

ART. 44. To hear and act on the report of the By-Law Committee appointed by the Moderator under Article 34, in the Town Warrant of March 9, 1914.

Voted, To lay on the table.

ART. 45. To see if the Town will vote to accept so much of Section 37, Chapter 19, of the Revised Laws, as apply to permanent firemen, or to see what action the Town will take in the matter.

Voted, To indefinitely postpone.

ART. 46. To see if the Town will vote to accept Chapter 191, of the Acts of the Legislature of Massachusetts of the year 1907, entitled, "An Act to Authorize the Establishment of Board of Survey in Towns."

Voted, To accept Chapter 191, of the Acts of 1907.

ART. 47. To see if the Town will authorize the Board of Selectmen to refund the following Water Debt of the Town of Saugus, to wit: \$5,000 due 1916, \$10,000 due 1917, \$7,000 due 1918, \$6500 due 1919, \$3,000 due 1920. Said board to report at this or a future town meeting, agreeable to the petition of William H. Small.

Voted, To indefinitely postpone.

ART. 48. To see if the Town will petition the Legislature of this Commonwealth to grant the Town a special charter for a commission form of government, or to see what action the Town will take relating thereto, agreeable to the petition of William H. Small.

Voted, To indefinitely postpone.

ART. 49. To see if the Town will appoint a committee of ten citizens to examine into operation and expenses of the school department, especially to ascertain, if possible, whether the schools should not be properly maintained on a basis of tax rate not exceeding \$8 per thousand on our valuation; said committee to consist of the Board of Selectmen, two members of the Finance Committee and five citizens to be appointed by the Moderator, or to see what action the Town will take in relation thereto, agreeable to the petition of William H. Small.

Voted, To lay on the table.

ART. 50. To see if the Town will accept Houston avenue, beginning at a point on Ballard street and running northeasterly, a distance as 1,083.87 feet, as per plan and specification filed with the Town Clerk.

Voted, To indefinitely postpone.

ART. 51. To see if the Town will vote to change its voting precincts according to a statement giving the boundaries, the designation of the proposed precincts and number of voters registered in each, and filed with the Town Clerk as called for under Section 167, Chapter 11 of the Revised Laws.

Voted, To indefinitely postpone.

ART. 52. Under discussion at time of closing.

Adjourned at 10.20 P. M., to March 15, 1915, at 8 o'clock P. M.

A true copy. Attest:

HENRY A. PARKER,
Town Clerk.

March 15, 1915.

Adjourned Town Meeting.

Meeting called to order by the Moderator at 8 o'clock, P. M.

Voted, To waive the reading of records of last meeting.

Letter received and read by the Moderator from Mr. John A O'Keefe, asking permission to address the meeting in relating to Fire Department, and all other matters relating to fire hazards. He was given an unanimous consent.

ART. 52. To see if the Town will appropriate and raise by borrowing \$15,000 for water supply purposes under authority of Chapter 133, of the Acts of 1914, of the Massachusetts Legislature, or take any action in relation thereto, agreeable to the petition of Robert T. Allen and others.

Voted, That the Town appropriate \$5,000 for water supply purposes and that the Town Treasurer, with the approval of the Water Commissioners, be and hereby is authorized to raise said amount by issuing bonds or notes of the Town under Massachusetts Acts of 1914, Chapter 133, said bonds or notes to be in coupon form, to be dated May 1, 1915, to bear interest at a rate not exceeding 5 per cent, to be denominated on their face "Town of Saugus Water Loan, Act of 1914" to be payable, \$500 on the first day of each of the years 1916 to 1925 inclusive, all other particulars as to the form, issuance, and sale of said bonds or notes to be determined by the Town Treasurer, with the approval of the Water Commissioners. Yeas, 276. Nays, 8.

ART. 53. To see if the Town will appropriate the sum of \$14,542.52, the same to be used in lieu of the income of the Water Department to pay interest and principal of maturing bonds issued under authority of Chapter 91, Section 2, of the

Acts of 1911 and of Chapter 133, of the Acts of 1914, of the Legislature of Massachusetts and for the maintenance and general account of the department, or to see what action the Town will take in the matter, agreeable to the petition of Robert T. Allen and others.

Voted, That the sum of \$10,000 be and is hereby appropriated in lieu on the income of the department to pay interest and principal on maturing bonds issued under authority of Chapter 91, Section 2, of the Acts of 1911 and of Chapter 133 of the Acts of 1914 of the Legislature of Massachusetts and for the maintenance and general account of the department.

Voted, To adjourn at 10.20 P. M., to Monday, March 22, 1915, at 8 o'clock P. M.

ART. 54. To see if the Town will appropriate the sum of \$500 for a new flag pole to be erected on small Common in Franklin square, East Saugus, Mass., agreeable to the petition of Horace H. Atherton, Jr., and others.

Voted, To indefinitely postpone.

ART. 55. To see if the Town will accept Beech street, beginning at the junction of Beech and Vine streets and running thence easterly to a point 325 feet, east of Elmwood avenue, a total distance of 695 feet, according to plan and specifications filed with the Town Clerk.

Voted, To indefinitely postpone.

ART. 56. To see if the Town will vote to abolish the office of Auditor, according to Chapter 624 of the Acts of 1910.

Voted, To abolish the office of Auditor.

ART. 57. To see what sum of money the Town will appropriate and raise by taxation for Town charges and for any other purpose for which the Town may lawfully expend money.

General Government.

Finance Committee :

Voted, To indefinitely postpone.

Selectmen's Department :

Voted, That the sum of \$500 be and is hereby appropriated for the Selectmen's Department, including the salary of the Selectmen of \$150.

Auditing Department :

Adjourned at 11 P. M., to Friday, April 2, 1915, at 8 o'clock P. M.

A true copy. Attest :

HENRY A. PARKER,

Town Clerk.

SAUGUS, April 2, 1915.

Adjourned Town Meeting.

Meeting called to order by the Moderator at 8 o'clock P. M.

Voted, To waive the reading of records of last meeting.

ART. 44. To hear and act on the report of the By-Law Committee appointed by the Moderator under Article 34 in the Town Warrant of March 9, 1914.

Report of the Committee was read by Judge William E. Ludden, Chairman of the Committee.

Voted, To act on the articles and Sections separately.

ARTICLE I.

TOWN MEETING.

SECTION 1. The Annual Town Meeting for the election of Town officers, and for voting on the question of granting licenses for the sale of intoxicating liquors, shall be held on the first Monday of March of each year; and all matters to be considered at the Annual Town Meeting, other than the election of Town officers and voting on the question of granting licenses for the sale of intoxicating liquors in the Town, shall be brought before the Town at a meeting to be held on the evening of the second Monday of March. The time and place of holding such subsequent meeting shall be stated in the Warrant for the annual election, and said election, subsequent meeting and its adjournments, shall all be regarded as part of the Annual Town Meeting, and the election of a Moderator by ballot to serve until the next Annual Meeting shall be the first business in order at said subsequent meeting. In the absence of the Moderator at any subsequent meeting a Moderator *pro tem* shall be elected.

Voted, To accept and adopt as read.

SECT. 2. Notice of every Town Meeting shall be given by posting attested copies of the Warrant calling the same, in at least two public places in each precinct not less than seven days before the day appointed for such meeting, and by leaving printed copies of the Warrant at the several dwellings of the inhabitants, at least four days before the day of meeting, provided, however, that no meeting shall be invalidated by reason of any mistake, or omission on the part of the officer serving the Warrant as to leaving copies at every dwelling

Voted, To accept and adopt as read.

SECT. 3. The Selectmen shall not insert in any Warrant for a Town Meeting any article under which an appropriation of money may be made either at that or any subsequent meeting, except for the annual appropriations, unless a request in writing therefor, signed by ten or more legal voters is filed with them at least thirty days prior to the time fixed for said meeting. And the Selectmen shall not insert in any Warrant for a Special Town Meeting any article under which an appropriation of money may be made either at that or any subsequent meeting, unless a request in writing therefor signed by ten or more legal voters is filed with them at least fifteen days prior to the time fixed for said meeting. And the Selectmen shall append to each such article mentioned in this section the name of the first person signing said request and the words "and others." Said request shall be filed and kept by the Selectmen until after the final adjournment of any Town Meeting at which action can be taken under said article.

Voted, To accept and adopt as read.

ARTICLE II.

GOVERNMENT OF TOWN MEETINGS.

SECTION 1. All articles in the Town Warrant shall be taken up in the order of their arrangement unless otherwise decided by a two-thirds vote of those present and voting.

Voted, To accept and adopt as read.

SECT. 2. There shall be chosen at each Annual Meeting a committee of three persons who shall make an annual appraisement of all property owned by the Town and make a report of their appraisement in the Annual Town Report.

Voted, To accept and adopt as read.

SECT. 3. All questions and motions submitted for the consideration of the Town involving the expenditures of money, and such other motions as may be required by the Moderator shall be in writing.

Voted, To accept and adopt as read.

SECT. 4. On demand of fifty legal voters the check list shall be used in taking the vote, and the meeting to determine whether by ballot or yea and nay vote, on any motion or resolution properly before a meeting of the Town.

Voted, To accept and adopt as read.

SECT. 5. No vote shall be reconsidered at the meeting in which it was passed, except upon a motion made within one hour after such vote has passed, and upon notice that such motion is to be made, given within half an hour after such vote has passed, nor then unless such motion to reconsider is made by a person who gave such notice and who voted with the prevailing side of the question.

Voted, To accept and adopt as read.

SECT. 6. No action shall be had at any Town Meeting on the report of any Committee chosen at a previous Town Meeting unless the same shall be specifically stated in the Warrant calling such meeting.

Voted, To accept and adopt as read.

SECT. 7. When a question is under debate no motion shall be received, but to adjourn the meeting, to reconsider a previous vote, to lay on the table, to commit or amend, to refer or postpone to a certain day, or to postpone indefinitely, which several motions shall have precedence in the order in which they are herein arranged, and no person shall speak more than twice on the same subject nor more than twenty minutes without the consent of the meeting.

Voted, To accept and adopt as read.

SECT. 8. All Committees shall be appointed by the Moderator, unless otherwise directed by the meeting, and it shall be the duty of the member first named to promptly call the Committee together for organization.

Voted, To accept and adopt as read.

SECT. 9. The first business in order at each adjourned Meeting shall be the reading of the records of the previous session by the Town Clerk.

Voted, To accept and adopt as read.

SECT. 10. The powers and duties of the presiding officer, not especially provided for by law or in the foregoing rules, shall be determined by the rules of practice contained in Cushing's Manual, so far as they are adapted to the condition and powers of the town.

Voted, To accept and adopt as read.

SECT. 11. It shall be the duty of the Moderator to request all persons not legal voters of the Town of Saugus, to retire from the Hall during the transaction of all Town business, and this rule shall be strictly enforced.

Voted, To accept and adopt as read.

SECT. 12. One hundred legal voters shall constitute a quorum for the transaction of business at all Town Meetings.

Voted, To accept and adopt as read.

ARTICLE III.

CERTAIN POWERS AND DUTIES OF TOWN OFFICERS.

SECT. 1. All official boards and commissions, Town Clerk, Town Accountant, Town Treasurer, Chief of Police, Superintendent of Streets and Building Inspector, Superintendent of Schools, Tree Warden, Forest Warden, shall hold a public meeting on the third Tuesday of each month in the Town Hall, and it shall be the duty of every Town official to be present or represented at such meeting and to submit to the meeting a report for the preceding month of the department that he represents. The Chairman of the Board of Selectmen shall preside at said meeting and the Town Clerk shall act as Clerk. It shall be the duty of every town official and any person employed by the Town to appear at such meetings upon the request of any member of the Board of Selectmen. If any department of the Town is to purchase goods in excess of \$100 during any calendar month or is to let any contracts in excess of \$100 it shall be the duty of the Town officer having charge of the same to notify the Board of Selectmen at the monthly meeting provided for in this section, and the Board of Selectmen

shall cause to be published a notice in such newspaper or newspapers as they may determine of all the proposed purchases and contracts to be made by the officers of Town departments, such publication to be at least seven days before said purchase or contracts are made and then to be unless all bids are rejected, given to the lowest responsible bidder. All bids received shall be kept on file in the office of the department, and any citizen shall have the right to examine the same.

Voted, To accept and adopt as read.

SECT. 2. It shall be the duty of the Town Clerk to immediately notify in writing, all members of committees that may be elected or appointed at any Town meeting, stating the business on which they are to act and the names of the committees.

Voted, to accept and adopt as read.

SECT. 3. The Town Accountant shall cause to be printed and ready for distribution at least ten days before the Annual Town Meeting, a report, giving detailed statement of the receipts and expenditures of the Selectmen, Town Treasurer, Collector of Taxes, School Committee, Overseers of the Poor, and all other Town officers, boards, commissioners or committees, who have had the charge or expenditure of the Town funds for the financial year, together with the estimates by all departments for the current financial year. Said report shall also contain the Town Clerk's report of the number of births, deaths and marriages during the calendar year, and the report of the Selectmen and all official boards or Town officers, Library Trustees, Librarian, Commissioners of Sinking Funds and Water Commissioners, and the Selectmen shall cause said report to be distributed to the dwellings of the inhabitants at least seven days before the Annual Town meeting.

Voted, To accept and adopt as read.

SECT. 4. The Selectmen shall cause an audit to be made annually in January, of the Town Accountant's accounts for the financial year, ending December 31, and the report of such audit shall be printed in the Annual Town Report.

Voted, To accept and adopt as read.

ARTICLE IV.

FINANCE.

SECTION 1. All poll taxes assessed in each year, shall be payable on or before the first day of July the same year.

Voted, To accept and adopt as read.

SECT. 2. The Collector shall pay to the Treasurer of the Town, on the first secular day of each week, all taxes by him collected, if the amount in his hands reaches \$500 or more.

Voted, To accept and adopt as read.

SECT. 3. The Assessors shall keep a record in a book to be kept for that purpose, of all abatements of taxes, the names of the parties taxed, and the reason for and amount of abatements. And the Assessors shall furnish the Town Accountant and Tax Collector once each month with a list of such abatements.

Voted, To accept and adopt as read.

SECT. 4. The Treasurer and Collector of Taxes shall, within 10 days of the date of their election, give bond to the Town for the faithful performance of their duties, in a sum, and with sureties, approved by the Selectmen.

Voted, To accept and adopt as read.

SECT. 5. It shall be the duty of the Town Clerk immediately after every Town Meeting, to furnish the Town Accountant and Board of Assessors with a statement of all moneys appropriated by the Town at such meeting, and of the purposes for which moneys were respectively appropriated.

Voted, To accept and adopt as read.

SECT. 6. Any portion of an appropriation for Town charges remaining unexpended at the close of the financial year shall revert to the Town Treasurer, unless otherwise provided by law.

Voted, To accept and adopt as read.

ARTICLE V.

LEGAL AFFAIRS.

SECTION 1. The Board of Selectmen shall annually appoint an Attorney at Law to act as Town Counsel.

Voted, To accept and adopt as read.

SECT. 2. The Board of Selectmen shall have authority to prosecute, defend and compromise all litigation to which the Town is a party, and to employ special counsel to assist the Town Counsel whenever in their judgment necessity therefor arises.

Voted, To accept and adopt as read.

SECT. 3. The Town Counsel shall draft all bonds, deeds, leases, obligations, conveyances, and other legal instruments, and perform every professional act which may be required of him by vote of the Town or any board of Town officers. Also when required by said boards or any committee of the Town, he shall furnish a written opinion on any legal question that may be submitted to him, and he shall at all times furnish legal advice to any officer of the Town who may require his opinion upon any subject concerning the duties incumbent upon such officer by virtue of his office. He shall prosecute all suits ordered to be brought by the Town or Board of Selectmen, and shall appear at any court in the Commonwealth in defence of all actions or suits brought against the Town or its officers in their official capacity. He also shall try and argue any and all causes in which the Town shall be a party, before any tribunal, whether in law or equity, in the Commonwealth, or before any board of referees or commission, and shall appear at any and all hearings on behalf of the Town whenever his services may be required.

Voted, To accept and adopt as read.

ARTICLE VI.

POLICE REGULATIONS.

SECTION 1. It shall be the duty of the Chief of Police to report in writing, annually to the Board of Selectmen.

Voted, To accept and adopt as read.

SECT. 2. No person shall leave any wagon, cart or other vehicle, or coal, wood, or other obstruction, in any street, way, sidewalk or public square, and suffer the same to remain there over night, without maintaining a sufficient light over or near the same throughout the night.

Voted, To accept and adopt as read.

SECT. 3. No person shall place or cause to be placed, in any public street or upon any public sidewalk or common land of the Town, any dirt or ashes, nor any stones, bottles, glass, hoops, boards, or other wood with nails projecting therefrom, shavings, sawdust, manure, rubbish, or filth, of any kind, nor any noxious or refuse liquor or solid matter or substance.

Voted, To accept and adopt as read.

SECT. 4. No person shall tie a horse, or other animals, to any tree nor to any structure protecting such tree, in the public streets or other public grounds of the Town.

Voted, To accept and adopt as read.

SECT. 5. No person shall pasture any cattle or other animals in any street of this Town.

Voted, To accept and adopt as read.

SECT. 6. No person shall permit or suffer any horse or other animal, carriage or vehicle of any description, belonging to him, or under his charge, to stand or stop upon any crosswalk in this Town, for any purpose except the taking up or setting down of passengers, nor for a longer time than shall be necessary for such purpose.

Voted, To accept and adopt as read.

SECT. 7. No owner or person for the time being having the care or use of any horse or other beast of burden, carriage or draught, shall ride, drive or permit the same to travel at a faster rate than nine miles an hour in any street, way, or public place in this Town, and the speed of bicycles, automobile and all other motor vehicles shall not exceed that prescribed by the laws of the Commonwealth but the foregoing provisions of this section

shall not apply to any fire apparatus while responding to an alarm of fire, which in such case shall have the right of way.

Voted, To accept and adopt as read.

SECT. 8. No person shall drive, wheel or draw upon a sidewalk a coach, cart, handcart, hand barrow, or other vehicle of burden or pleasure, except children's carriages, or carriages containing children or invalids and drawn by hand.

Voted, To accept and adopt as read.

SECT. 9. Every driver of a vehicle shall remain near it while it is unemployed or standing in the street, unless he is necessarily absent in the course of his duty and business; and he shall so keep his horse or horses and vehicle as not to obstruct the streets.

Voted, To accept and adopt as read.

SECT. 10. No owner or driver of a vehicle shall bait or feed in a street, a horse or beast connected with such vehicle, except in a place designated by the Chief of Police, not unless the horse or beast, while being baited or fed, is under the care of some suitable person, and is properly secured to prevent it from getting beyond such person's control.

Voted, To accept and adopt as read.

SECT. 11. No person shall deal in, keep a shop for the purchase, sale or barter of, or collect by purchase or otherwise, from place to place within this Town, junk, old metal, or second-hand articles, without first obtaining a license therefor from the Selectmen on such terms as they may direct or prescribe.

Voted, To accept and adopt as read.

SECT. 12. Every hawker or peddler, except such as are *bona fide* residents of Saugus, or who may be duly authorized by Statute Law or by State or County License to act as a hawker or pedler, shall pay to the Town Treasurer an annual license fee of twenty five dollars (\$25).

Voted, To accept and adopt as read.

SECT. 13. No person shall coast on any street or public walk of this Town, excepting upon such streets as may be designated by the Selectmen.

Voted, To accept and adopt as read.

SECT. 14. No person shall throw stones, snowballs or other dangerous missiles, nor play ball or football within any of the public streets of this town.

Voted, To accept and adopt as read.

SECT. 15. Three or more persons shall not stand in a group, or near each other on any public way or sidewalk, after a request to move on made by any constable or police officer.

Voted, To accept and adopt as read.

SECT. 16. No person shall behave in a rude or disorderly manner or use any indecent, profane or insulting language, in any public place in this Town, or near any dwelling-house therein.

Voted, To accept and adopt as read.

ARTICLE VII.

STREETS AND WAYS.

SECTION. 1. No street shall be accepted by the Town if laid out less than 40 feet wide.

SECT. 2. Whenever the Selectmen make a report to the Town recommending the laying out or altering of a Town way, said report shall be laid upon the table without action, and the Selectmen shall put an article in the warrant calling the next Town Meeting to act upon said report.

SECT. 3. No person, except the Selectmen and Superintendent of Streets shall obstruct any sidewalk or street, or any part thereof, or break or dig the ground of the same, without first obtaining a written permit from the Selectmen therefor; and the person holding such permit shall put, and at all times keep, a suitable railing around the part of any sidewalk or street so obstructed or dug up, as long as the same shall be unsafe or

inconvenient for travellers; and shall also keep as many lighted lanterns fixed to such railing or fence, every night from twilight in the evening through the whole night, as the Selectmen or Superintendent of Streets shall direct.

SECT. 4. No building shall be moved over a public street without a written permit from the Selectmen, and no permit shall be given by the Selectmen when such removal will cause the destruction or injury of any tree standing in the street, or projecting over the street, unless the written consent of the official having control over public shade trees shall first be obtained. If any building shall be removed over or through any public street or square, the owner of such building and the person or persons moving the same shall be jointly and severally liable to the Town for all damages, cost and expenses for which the Town may be liable or which it may be compelled to pay in consequence of such removal.

SECT. 5. Whenever any sidewalk becomes obstructed or made impassable by reason of the erecting or repairing of any building, or of doing any work, the person doing or causing the same to be done shall place a good and convenient walk around such obstruction.

SECT. 6. No person shall erect any canopy, window or bay window awning, shade, shade-frame, nor place or maintain a sign, show bill, lantern, show board, goods, wares, or other articles, so as to project into or overhang any street except in accordance with a permit from the Selectmen; and no person shall post, affix, nor in any way attach any poster, handbill, notice, advertisement or placard, to or upon any post, wall, tree, fence, building or structure not his own; nor mar, deface or disfigure the same without the permission of the owner or tenant.

SECT. 7. No owner, tenant, or other person having control of any building or premises, shall permit a gate or door thereon to swing open across any part of a sidewalk or street.

ARTICLE VIII.

FINANCE COMMITTEE.

SECTION 1. There shall be a Finance Committee consisting of seven citizens of the Town, other than Town officers elected

by ballot. There shall be appointed at least one member from each precinct. The Moderator of the Annual Town Meeting of 1915 shall appoint two members of said committee for a term of three years, three members for a term of two years, and two members for a term of one year, the terms of said members to expire on the first day of December in the years 1918, 1917, and 1916, respectively. Annually thereafter the Moderator of the Annual Town Meeting shall on the first day of December appoint enough members of said committee to fill the same to serve for the term of three years from said date. Any member of said committee who shall be elected by ballot to any Town office shall forthwith upon his qualification in such office, and any other member who shall remove from the Town shall upon such removal, cease to be a member of said committee. Said committee shall choose its own officers, and any vacancies in its membership shall be filled by appointment by the Moderator.

SECT. 2. It shall be the duty of this committee to consider all the articles of any Warrant for a Town Meeting hereafter issued under which an appropriation of money may be made, and it shall be the duty of the Selectmen after drawing a Town Warrant to transmit immediately a copy of the same to each member of the Finance Committee. A hearing shall be given upon all such articles to the person or persons whose names appear attached to the same, and they shall be notified of the time and place of hearing thereon. No appropriation of money under any article, shall be made, until after an actual hearing shall be held, and the report of said Finance Committee thereon made to the Town. Provided, however, that if the committee is not prepared to report at the time the article is reached in the Warrant, the same be taken up and acted upon, if so decided by a two-thirds vote of those present and voting. The committee shall, after due consideration of the subject matter in said articles, report thereon, in print or otherwise, such information and recommendations as it shall deem best. All recommendations of the committee made to the Town shall be recommendations of a majority of the entire committee, but this shall not be construed to prevent recommendations by a minority as such. The Finance Committee shall have authority at any time to investigate the books, accounts and management of any department of the Town, and to employ such expert and other assistance as it may deem advisable for that purpose, and the books and accounts of all departments and officers of the Town

shall be open to the inspection of the committee and of any person employed by it. It may appoint sub-committees and delegate to them such of its powers as it may deem expedient.

SECT. 3. The various town officers, boards, and committees charged with the expenditure of the Town's money are each directed annually to prepare detailed estimates of the amounts necessary to carry on the Town's business intrusted to them for the ensuing year, with explanatory statements as to any changes from the amount appropriated for the same purpose in the preceding year. They shall also prepare estimates of any income which may be received by the Town during the ensuing year in connection with the Town's business or property in their care. The Selectmen shall include in their estimates the salaries of all officers elected directly by the Town and all other items not otherwise provided for, and the salaries of all other persons shall be included in the estimate of the officers, boards, or committees appointing them. The Treasurer shall include in his estimates the amount required for the payment of interest on the Town debt, and for the payment of such portions of the town debt as may become due during the succeeding year. Said estimates and explanations shall be filed with the Town Accountant on or before the fifteenth day of January, and he shall forthwith compile the same in tabulated form and add thereto two columns, one giving the amounts appropriated and the other amount expended in the preceding year and shall furnish a copy to each member of the Finance Committee. Said Committee shall at once consider the estimates and add another column giving the amounts which in their opinion should be appropriated for the ensuing year, and shall add thereto such explanation and suggestions in relation to the proposed appropriations as they may deem expedient. The document shall be completed and returned to the Selectmen in time to enable them to have it printed and distributed not later than the first Monday in March which they are hereby directed to do.

SECT. 4. Any Board, Standing Committee or officer of the Town, or any person or persons intending to ask an appropriation at any meeting of the Town, other than the regular annual appropriation, shall file a written notice in the office of the Selectmen of such intention, at least fourteen days before such meeting, stating the object and sum of the appropriation intended to be asked. The Selectmen shall thereupon record such notice

and inform the Finance Committee thereof. It shall thereupon be the duty of the Finance Committee to examine into the subject, to be prepared to inform the Town thereon, and to cause to be printed and distributed to the voters a statement of the proposition, with such comments as they may deem expedient, at least three days before such meeting, or, for the annual meeting, not later than the first Monday in March. Provided that an appropriation may be asked, without such notice, at any meeting of the Town, but in the absence of such previous notice, the subject shall not be acted upon except at an adjournment of said meeting, not less than one week later in either case, and during said interim the Finance Committee shall cause a printed notice of the sum and object of said proposed appropriation, with its recommendations in relation thereto, to be distributed among the voters at least three days before such adjourned or other meeting.

ARTICLE IX.

ADVISORY COMMITTEE.

SECTION 1. There shall be an advisory committee consisting of three citizens of the Town, other than Town officers elected by ballot. The Moderator of the Annual Town Meeting of 1915 shall appoint one member of said committee for a term of three years, one member for a term of two years and one member for a term of one year, the terms of said members to expire on the first day of December of the years 1918, 1917, 1916 respectively. Annually, thereafter, the Moderator of the Annual Town Meeting shall, on the first day of December appoint one member of said committee to serve for the term of three years from said date. Any member of said committee, who shall be elected by ballot to any Town office, shall forthwith upon his qualification in such office, and any member who shall remove from the Town shall, upon such removal, cease to be a member of said committee. Said committee shall choose its own officers, and any vacancies in its membership shall be filled by appointment by the Moderator.

SECT 2. It shall be the duty of this Committee to consider all articles of any Warrant for a Town Meeting hereafter issued under which an appropriation of money cannot be made and it shall be the duty of the Selectmen after drawing a Town Warrant to transmit immediately a copy of the same to each member of

the Advisory Committee. A hearing shall be given upon all such articles to the person or persons whose names appear attached to the same, and they shall be notified of the time and place of hearing thereon. The Committee shall, after due consideration of the said matter, in said articles report thereon in print or otherwise such information and recommendations as it shall deem best. All recommendations of the Committee made to the Town shall be recommendations of a majority of the entire Committee but this shall not be construed to prevent recommendations by a minority as such. Said Committee shall make its report before any article considered by it is acted upon, unless such articles are taken up and acted upon by a two-thirds vote or persons present and voting.

ARTICLE X.

SEALER OF WEIGHTS AND MEASURES.

SECTION I. The Sealer of Weights and Measures shall account such compensation as the Town shall annually direct, and he shall account for and pay into the Treasury of the Town all fees received by him by virtue of his office, said compensation to be in full payment for all services rendered as Sealer of Weights and Measures.

ARTICLE XI.

PUBLIC CARRIAGES.

SECTION I. The Selectmen shall from time to time license, upon such terms as they shall deem expedient, proper persons, to maintain public carriages or other vehicles for carrying passengers for hire, and shall assign to such persons, stands where they may remain and solicit passengers. Such licenses shall not be transferable, may be revoked at any time, and shall expire upon the first day of May next succeeding the date thereof. No person shall solicit passengers in any street or other public place in the Town without such license.

ARTICLE XII.

SPECIAL BUILDING INSPECTOR.

SECTION I. The Selectmen, if in their judgment it seems necessary may appoint for any case, a Special Inspector of Buildings, who shall be some competent builder, architect, or

civil engineer, who shall have all authority for the time and case for which he is appointed, which is usually given Inspector of Buildings. His compensation shall be fixed by the Selectmen, unless otherwise provided by the Town.

ARTICLE XIII.

PENALTIES UNDER THE BY-LAWS.

SECTION I. Every violation, not otherwise provided for, of any of the foregoing By-Laws, shall be punished by a fine of not less than one dollar (\$1), nor more than twenty dollars (\$20), to be recovered by complaint before any court having jurisdiction.

ARTICLE XIV.

PROSECUTION UNDER THE BY-LAWS.

SECTION I. Any citizen may, and the Selectmen, Police Officers and Constable, shall prosecute every violation of the foregoing By-Laws, by complaint before any Court having jurisdiction.

ARTICLE XV.

Upon the acceptance of the foregoing By-Laws by the Town, and approval of the same by the Attorney-General, all By-Laws heretofore existing, excepting the rules and regulations of the Board of Health, and ordinances relating to plumbers and plumbing, and building regulations for inspection and construction of buildings, shall be annulled and repealed; provided that this repeal shall not apply to or affect any By-Law, or article heretofore adopted, accepting or adopting the provisions of any Statute of the Commonwealth.

Voted, To accept and adopt the By-Laws as a whole.

Voted, To dissolve the meeting.

A true copy. Attest:

HENRY A. PARKER,
Town Clerk.

BOSTON, May 5, 1915.

The following By-Laws are approved, with the exception of the following:—Art. 1, Sects. 1, 3. Art. 2, Sect. 6. Art. 3, Sects. 1, 2, 4, 5. Art. 4, Sects. 1, 2, 3, 4. Art. 6, Sects. 1, 7 in part, as indicated, 11, 12, 16. Art. 7, Sects. 1, 2, 4, 6. Art. 8, Sect. 2 in part, as indicated, 3. Art. 9, Sect. 2. Art. 10, Sect. 1. Art. 11, Sect. 1. Art. 12, Sect. 1. Art. 13, Sect. 1. Art. 14, Sect. 1, which are disapproved.

HENRY C. ATTWILL,
Attorney-General.

PRIMARY ELECTION, SEPTEMBER 21, 1915

THE COMMONWEALTH OF MASSACHUSETTS.

ESSEX, SS.

To W. Charles Sellick, Constable of the Town of Saugus,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in Primaries to meet in Town Hall, Tuesday, the twenty-first day of September, 1915, at three o'clock P. M., for the following purpose: To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices: Governor, Lieutenant-Governor, Treasurer and Receiver General, Secretary, Auditor, Attorney-General, for this Commonwealth; Councillor, Sixth Councillor District, Senator, Seventh Middlesex District, Two Representatives in General Court, Fifteenth Representative District, County Commissioner, Essex County, Associate Commissioner (to fill vacancy), Essex County; County Treasurer, Essex County, District Attorney (to fill vacancy), Essex County; Sheriff, Essex County. And for the election of the following officers: District Member of State Committee for each political party for the Seventh Senatorial District, Members of the Democratic Town Committee, Members of the Republican Town Committee, Members of the Progressive Town Committee, delegates to State Conventions of Political Parties. All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from 3 to 9 P. M.

And you are directed to serve this Warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the Town.

HEREOF FAIL NOT, and make return of this Warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this twenty-third day of August, A. D.,
1915.

GEORGE L. NOURSE,
HERBERT M. FORRISTALL,
FRANK P. BENNETT,

Selectmen of Saugus.

COMMONWEALTH OF MASSACHUSETTS.

ESSEX, SS.

*To Charles W. Sellick, Constable of the Town of Saugus,**GREETING:*

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote at Elections, to meet at the several voting precincts in the Town, on Tuesday, November 2, A. D. 1915, at fifteen minutes before six (5.45) o'clock A. M., then and there to bring their ballots to the Wardens for the following State Officers, all on one ballot:

Governor; Lieutenant-Governor; Secretary; Treasurer; Auditor; Attorney-General; Councillor, Sixth District; Senator, Seventh Middlesex District; Two Representatives in the General Court, Fifteenth Essex District; County Commissioner, Essex; Associate Commissioner (to fill vacancy), Essex; County Treasurer; District Attorney (to fill vacancy), Eastern District; Sheriff, Essex County:

Also your "Yes" or "No" to the following questions:

Acceptance of Chapter 129, Resolves of 1915, entitled, "Resolves to provide for submitting to the people the article of amendment of the constitution empowering the general court to authorize the taking of land to relieve congestion of population and to provide homes for citizens."

Acceptance of Chapter 130, Resolves of 1915, entitled, "Resolves to provide for submitting to the people the article of amendment of the constitution striking the word 'male' from the qualification of voters."

Acceptance of Chapter 140, Resolves of 1915, entitled "Resolves to provide for submitting to the people the article of amendment of the constitution relative to the authority of the general court to impose taxes."

The Polls will open at fifteen minutes before six (5.45) o'clock, A. M., and may close at four (4) o'clock, P. M., and you are hereby directed to serve this Warrant by posting attested copies at the usual places, seven days at least before the time of holding said meeting.

HEREOF FAIL NOT, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this eighteenth day of October, A. D., nineteen hundred and fifteen.

SPECIAL TOWN MEETING, NOVEMBER 8, 1915

ESSEX SS.

*To either of the Constables of the Town of Saugus:**GREETING:*

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus qualified to vote in Town affairs to meet at the Town Hall on Monday evening, November eighth, A. D., nineteen hundred and fifteen, at eight o'clock, to hear and act on the following articles, viz :

ARTICLE 1. To choose a Moderator to preside at said meeting.

ART. 2. To hear and act on the reports of Committees.

ART. 3. To see if the Town will authorize the Town Treasurer, with the approval of the Water Commissioners, to pay the sum of one thousand, one hundred thirty-three dollars and sixty cents (\$1,133.60) in settlement of bills now due on account of the construction and equipment of the standpipe, said payment to be made from the appropriation made at the Annual Town Meeting of 1915 for extending and improving the Water System of the Town, or take any action in relation thereto, agreeable to the petition of Allston F. Hart and others.

ART. 4. To see if the Town will appropriate the sum of two thousand dollars (\$2,000) the same to be used in lieu of the income of the Water Department, for the maintenance and general account of the Department, or take any action in relation thereto, agreeable to the petition of Allston F. Hart and others.

ART. 5. To see if the Town will appropriate and raise by borrowing five thousand dollars (\$5,000) for water supply purposes under authority of Chapter 133 of the Acts of 1914, of the Massachusetts Legislature, or take any action in relation thereto, agreeable to the petition of Allston F. Hart and others.

ART. 6. To see if the Town will vote to transfer two thousand dollars (\$2,000) from the sum appropriated at the Annual Town Meeting of 1915, for interest on temporary loans to the School Department, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

ART. 7. To see if the Town will appropriate the sum of two thousand dollars for school purposes, being the sum necessary to maintain the schools up to and including the week of December 20, 1915, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer and others.

ART. 8. To see if the Town will appropriate the sum of \$500 for repairs upon school buildings, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer and others.

ART. 9. To see if the Town will vote to transfer one thousand dollars (\$1,000) from the sum appropriated at the Annual Town Meeting of 1915 for interest on Temporary Loans to the Overseers of the Poor Department, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

ART. 10. To see if the Town will vote to transfer two hundred dollars (\$200) from the sum appropriated at the Annual Town Meeting of 1915, the Town portion on Gypsy Moth account to the account for care of Town Hall, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

ART. 11. To see if the Town will appropriate the sum of \$600 for the Police Department, or to see what action the Town will take in the matter, agreeable to the petition of Charles O. Thompson and others.

ART. 12. To see if the Town will appropriate the sum of \$75, for printing new By-Laws, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

ART. 13. To see if the Town will vote to appropriate the sum of \$160, in settlement of accident claim against the Town, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

ART. 14. To see if the Town will appropriate the sum of \$450, for the Tax Title account, agreeable to the petition of Henry A. Parker and others.

ART. 15. To see if the Town will appropriate the sum of \$100, for State Aid, agreeable to the petition of George L. Nourse and others.

ART. 16. To see if the Town will appropriate the sum of \$50, for Soldiers' Relief, agreeable to the petition of George L. Nourse and others.

ART. 17. To see if the Town will appropriate the sum of \$50, for the Finance Committee, agreeable to the petition of Frank B. Sloan.

ART. 18. To see if the Town will appropriate the sum of \$100, for the Sealer of Weights and Measures, agreeable to the petition of Evan Evans, Jr.

ART. 19. To see if the Town will vote to transfer two hundred and fifty dollars from the sum appropriated at the Annual Town Meeting of 1914 for surveying and plotting the Town to the Assessors' Department, or to take any action in relation thereto, agreeable to the petition of Lewis J. Austin and others.

ART. 20. To see if the Town will appoint a committee of five citizens to consist of one member of the Board of Selectmen, one member of the Board of Assessors, and one member of the School Committee and two other citizens of the Town, all to be appointed by the Moderator. Said Committee to investigate the school housing facilities of the Town; to examine into the question of the advisability of the erection of a new school building and to report their findings to the Annual Town Meeting of March, 1916, together with their recommendations as to the location, size and nature of the building to be erected. Said Committee to prepare proper articles for the Annual Town Warrant of 1916, for the issue of the necessary bonds and other

matters pertaining to the financing and construction of said building, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer.

ART. 21. To see if the Town will instruct the School Committee to combine the offices of Superintendent of Schools and Principal of the High School, and thus cause a saving of nearly \$2,000 per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

ART. 22. To see if the Town will instruct the School Committee to abolish the three female Coaching Teachers and thus cause a saving of \$1,800 per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

ART. 23. To see if the Town will instruct the School Committee to abolish the Teacher of Manual Training and thus cause a saving of \$1,200 per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

ART. 24. To see if the Town will instruct the School Committee to abolish the Teacher of Domestic Science and thus cause a saving of \$600 per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

ART. 25. To see if the Town will instruct the School Committee to abolish the Special Commercial Teacher in the High School and thus cause a saving of \$1,200 per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

ART. 26. To see if the Town will instruct the Water Commissioners and Selectmen to combine the offices of Superintendent of the Water Board and Superintendent of Streets, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

ART. 27. To see if the Town will vote to authorize the Board of Selectmen to notify the City of Lynn that the inhabitants of the Town of Saugus desire to be supplied with water

after the expiration of the present contract and that the Town of Saugus shall ratify the contract before it is executed, or to see what action the Town will take relating thereto, agreeable to the petition of William H. Small.

ART. 28. To see if the Town will vote to authorize the Water Commissioners to examine into the Revere Water System now in the Town of Saugus and report at the Annual Town Meeting of 1916 as to the advisability of taking over same by the Town, or to see what action the Town will take relating thereto, agreeable to the petition of William H. Small.

And you are hereby directed to serve this Warrant by posting attested copies at the usual places seven days at least before the time of holding said meeting, and to distribute copies as provided by the By-Laws at least four days before.

HEREOF FAIL NOT and make due return of this Warrant, with your doings to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this twenty-fifth day of October, A. D., nineteen hundred and fifteen.

[Town Seal.] GEORGE L. NOURSE,
HERBERT M. FORRISTALL,
FRANK P. BENNETT,
Board of Selectmen.

A true copy, Attest :

HENRY A. PARKER,
Town Clerk.

COMMONWEALTH OF MASSACHUSETTS.

SAUGUS, November8, 1915.

ESSEX, SS.

Pursuant hereunto I have served the within Warrant as directed.

ROLAND L. MANSFIELD,
Constable.

Special Town Meeting to act on articles in Town Warrant was held Monday Evening, November 8, 1915, at 8 o'clock.

The meeting was called to order by Town Clerk, Henry A. Parker, after the reading of the Warrant by the Town Clerk, Article 1, was taken up.

ARTICLE 1. To choose a Moderator to preside at said meeting.

Chose Thomas P. Parsons, who, after being duly qualified by the Town Clerk took charge of the meeting.

ART. 2. To hear and act on the reports of Committees.

Voted, To accept the report of the Finance Committee.

ART. 3. To see if the Town will authorize the Town Treasurer with the approval of the Water Commissioners to pay the sum of one thousand one hundred and thirty-three dollars and sixty cents (\$1,133.60) in settlement of bills now due on account of the construction and equipment of the standpipe, said payment to be made from the appropriation made at the Annual Town Meeting of 1915 for extending and improving the Water System of the Town, or take any action in relation thereto, agreeable to the petition of Allston F. Hart and others.

Voted, That the Town Treasurer, with the approval of the Water Commissioners, be and he hereby is authorized and directed to pay the sum of \$1,133.60 in settlement of bills now due on account of the construction and equipment of the standpipe, said payment to be made from the appropriation made at the Annual Town Meeting of 1915 for extending and improving the Water System of the Town.

ART. 4. To see if the Town will appropriate the sum of two thousand dollars (\$2,000) the same to be used in lieu of the income of the Water Department, for the maintenance and and general account of the Department, or take any action in relation thereto, agreeable to the petition of Allston F. Hart and others.

Voted, That the sum of \$497.38 be and the same is hereby appropriated for the maintenance and general account of the Water Department.

ART. 5. To see if the Town will appropriate and raise by borrowing five thousand dollars (\$5,000) for water supply purposes under authority of Chapter 133 of the Acts of 1914, of the Massachusetts Legislature, or take any action in relation thereto, agreeable to the petition of Allston F. Hart and others.

Voted, To indefinitely postpone.

ART. 6. To see if the Town will vote to transfer two thousand dollars (\$2,000) from the sum appropriated at the Annual Town Meeting of 1915 for interest on temporary loans to the School Department, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

Voted, That the sum of \$1,800 from the sum appropriated at the Annual Town Meeting of 1915 for interest on temporary loans be and the same is hereby transferred to the School Department, to be used for the maintenance of schools.

ART. 7. To see if the Town will appropriate the sum of \$2,000 for school purposes, being the sum necessary to maintain the schools up to and including the week of December 20, 1915, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer and others.

Voted, To indefinitely postpone.

ART. 8. To see if the Town will appropriate the sum of \$500 for repairs on school buildings, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer.

Voted, That the sum of \$500 be and the same hereby is appropriated for repairs upon school buildings.

ART. 9. To see if the Town will vote to transfer \$1,000 from the sum appropriated at the Annual Town Meeting of 1915 for interest on temporary loans to the Overseers of the Poor Department, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

Voted, That the sum of \$1,000 be and the same is hereby transferred from the sum appropriated at the Annual Town Meeting of 1915 for interest on temporary loans to the Overseers of the Poor Department.

ART. 10. To see if the Town will vote to transfer \$200 from the sum appropriated at the Annual Town Meeting of 1915, the Town portion on Gypsy Moth account to the account for care of Town Hall, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

Voted, That the sum of \$200, be and the same is hereby transferred from the sum appropriated at the Annual Town Meeting of 1915 the Town portion on Gypsy Moth account to the account for the care of Town Hall.

ART. 11. To see if the Town will appropriate the sum of \$600 for the Police Department, or to see what action the Town will take in the matter, agreeable to the petition of Charles O. Thompson and others.

Voted, That the sum of \$600 be and the same is hereby appropriated for the expense of the Police Department.

The Moderator appointed and swore in the following citizens to act as tellers, Frank E. Parker, Edgar B. Oliver, Daniel B. Willis, George R. Clough, Henry A. B. Peckham.

ART. 12. To see if the Town will appropriate the sum of \$75, for printing new By-Laws, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

Voted, That the sum of \$75, be and the same is hereby appropriated for printing the By-Laws of the Town.

ART. 13. To see if the Town will appropriate the sum of \$160, in settlement of accident claim against the Town, or to see what action the Town will take in the matter, agreeable to the petition of George L. Nourse.

Voted, That the sum of \$160, be and the same is hereby appropriated for the purpose of settlement of accident claims against the Town.

ART. 14. To see if the Town will appropriate the sum of \$450, for the Tax Title account, agreeable to the petition of Henry A. Parker.

Voted, That the sum of \$450, be and the same is hereby appropriated for the expense of Tax Titles.

ART. 15. To see if the Town will appropriate the sum of \$100, for State Aid, agreeable to the petition of George L. Nourse and others.

Voted, That the sum of \$100, be and the same is hereby transferred from the sum appropriated at the Annual Town Meeting of 1915 for interest on temporary loans to the State Aid account.

ART. 16. To see if the Town will appropriate the sum of \$50, for Soldiers' Relief, agreeable to the petition of George L. Nourse.

Voted, That the sum of \$50, be and the same is hereby transferred from the sum appropriated at the Annual Town Meeting of 1915 for interest on temporary loans to the Soldiers' Relief account.

ART. 17. To see if the Town will appropriate the sum of \$50 for the Finance Committee, agreeable to the petition of Frank B. Sloan.

Voted, That the sum of \$50 be and the same is hereby transferred from the sum appropriated at the Annual Town Meeting of 1915 for interest on temporary loans to the Finance Committee account.

ART. 18. To see if the Town will appropriate the sum of \$100 for the Sealer of Weights and Measures, agreeable to the petition of Evan Evans, Jr.

Voted, That the sum of \$76.03 be and the same is hereby transferred from the sum appropriated at the Annual Town Meeting of 1915 for oiling the streets to the Sealer of Weights and Measures account.

ART. 19. To see if the Town will vote to transfer \$250 from the sum appropriated at the Annual Town Meeting of 1914 for surveying and plotting the Town to the Assessors' Department, or to take any action in relation thereto, agreeable to the petition of Lewis J. Austin.

Voted, That the sum of \$214.25 from the sum appropriated at the Annual Town Meeting of 1914 for surveying and plotting the Town be and the same is hereby transferred to the Assessors' Department.

ART. 20. To see if the Town will appoint a committee of five (5) citizens to consist of one member of the Board of Selectmen, one member of the Board of Assessors, and one member of the School Committee, and two other citizens of the Town, all to be appointed by the Moderator; said committee to investigate the school housing facilities of the Town; to examine into the question of the advisability of the erection of a new school building and to report their findings to the Annual Town Meeting of March, 1916, together with their recommendations as to the location, size and nature of the building to be erected. Said Committee to prepare proper articles for the Annual Town Warrant of 1916, for the issue of the necessary bonds and other matters pertaining to the financing and construction of said building, or to see what action the Town will take in the matter, agreeable to the petition of Joseph G. Bryer.

Voted, That the Moderator appoint a committee as called for under Article 20, and the following citizens were appointed:— Joseph G. Bryer, Frank P. Bennett, Edwin K. Hayden, George Quarmby and W. George Greenlay.

ART. 21. To see if the Town will instruct the School Committee to combine the offices of Superintendent of Schools and Principal of the High School, and thus cause a saving of nearly \$2,000 per annum, or to see what action the Town will take in the matter agreeable to the petition of Frank P. Bennett.

Voted, To refer to the Finance Committee, and they to report at the Annual Town Meeting of 1916.

ART. 22. To see if the Town will instruct the School Committee to abolish the three female coaching teachers and thus cause a saving \$1,800, per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

Voted, To refer to the Finance Committee, and they to report at the Annual Town Meeting of 1916.

ART. 23. To see if the Town will instruct the School Committee to abolish the teacher of Manual Training and thus cause a saving of \$1,200 per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

Voted, To refer to the Finance Committee, and they to report at the Annual Town Meeting of 1916.

ART. 24. To see if the Town will instruct the School Committee, to abolish the teacher of Domestic Science and thus cause a saving of \$600 per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

Voted, To refer to the Finance Committee, and they to report at the Annual Town Meeting of 1916.

ART. 25. To see if the Town will instruct the School Committee to abolish the special Commercial teacher in the High School and thus cause a saving of \$1,200, per annum, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

Voted, To indefinitely postpone.

ART. 26. To see if the Town will instruct the Water Commissioners and Selectmen to combine the offices of Superintendent of the Water Board and Superintendent of Streets, or to see what action the Town will take in the matter, agreeable to the petition of Frank P. Bennett.

Voted, To refer to the Finance Committee, and they to report at the Annual Town Meeting of 1916.

ART. 27. To see if the Town will vote to authorize the Board of Selectmen to notify the City of Lynn that the inhabitants of the Town of Saugus desire to be supplied with water after the expiration of the present contract and that the Town of Saugus shall ratify the contract before it is executed, or to see what action the Town will take relating thereto, agreeable to the petition of William H. Small.

Voted, To indefinitely postpone.

ART. 28. To see if the Town will vote to authorize the Water Commissioners to examine into the Revere Water System now in the Town of Saugus and report at the Annual Town Meeting of 1916 as to the advisability of taking over same by the Town, or to see what action the Town will take relating thereto, agreeable to the petition of William H. Small.

Voted, To indefinitely postpone.

Voted, To dissolve the meeting, at 10.32 P. M.

-------	--	--	--	-------	------------

These bills were held up on account of the appropriations having been exhausted, and no funds to pay the bills. In the case of the Overseers of the Poor, the bills have been paid during January 1916, under the authority of the Selectmen, under Section 16, Chapter 719 of the Acts of 1913, by the vote of the Selectmen.

During the year the Town received a gift from the Centennial Committee of \$200, and I am taking the liberty of publishing the letter, herewith, that was received at the time the gift was made.

DECEMBER 11, 1915.

Mr. Granville A. Clark, Town Accountant, Saugus, Mass.:

MY DEAR MR. CLARK,—The Committee on the Celebration of the 100th anniversary of the incorporation of the Town of Saugus, appointed by the Saugus Board of Trade, has returned to-day unused to the Treasurer of the Town the sum of \$200 which was paid to this committee early in the present year. This sum was originally appropriated at the Annual Town Meeting of 1914, to be expended by a committee appointed by the Selectmen, in preparing preliminary plans for the centennial anniversary. That committee chosen by the Selectmen, devoted considerable time to such plans, but preferred not to expend any of the money. When the Annual Town Meeting of 1915 decided not to appropriate further sums, the committee appointed by the Selectmen hesitated to begin the celebration upon this small amount of capital.

When, therefore, a committee of the Saugus Board of Trade was willing to undertake the work and gave evidence of having the purpose and power to obtain sufficient money to give an adequate celebration, the committee appointed by the Selectmen turned over to the committee of the Board of Trade the \$200 which was in its charge. The committee of the Board of Trade, of which I have had the honor to be chairman, believe that the celebration which it conducted was a complete success and was very gratifying to the people of the Town, who take pride in its splendid history and present condition. This last named committee is likewise proud of the fact that it has been able to pay all of the bills of the celebration and to have enough left on its hands, after every bill is paid, to permit of the return of this \$200 of the Town's money unused. They return this the more

gladly because it is now possible for every citizen of the Town to say that Saugus had a worthy celebration of its 100th anniversary, without having to expend a single dollar of money appropriated by the taxpayers.

May I, however, through this letter, take occasion to thank you and the other officers of the Town, the citizens generally, and the large number of people, not at all resident at Saugus, who contributed of their means and enthusiasm to make the celebration a success.

With kind regards, I am,

Very sincerely yours,

FRANK P. BENNETT, JR.

The Treasurer's Cash Account.

The cash on hand December 31, 1915, was verified by me by actual count, and the cash in the bank was verified by reconciliation of the outstanding checks with the book and bank statements, and was further verified by a letter received from the bank certifying to the amount to the credit of the Town of Saugus at the close of business December 31, 1915.

Taxes Collected.

The amounts shown as having been collected by the Tax Collector and turned over to the Treasurer, agree with the amounts received by the Treasurer and which appear upon his books.

Trust Funds.

I have compared the savings bank books in the hands of the Treasurer with the amount called for in the Perpetual Care Fund Account as being on deposit December 31, 1915, and the books and the amount agree.

Sinking Fund.

The cash in the bank was verified by me by a reconciliation of the outstanding checks and the bank statements, and was further verified by a letter received from the bank certifying to the amount to the credit of the Sinking Fund Account in both

the savings bank account and the check account at the close of business December 31, 1915.

I also examined the securities during the month of November in the presence of the Treasurer and one member of the Sinking Fund Commission, and found them to agree with the amount of bonds they should have on hand.

Respectfully submitted,

GRANVILLE A. CLARK,
Town Accountant.

JANUARY 31, 1915.

Stand Pipe.

Owing to the fact that the appropriation was made in 1914 and the expenditures extend over a period of about two years I am submitting a complete financial report showing payments for each year and the total expenditures to February 1, 1916 amounting to \$25,543.31, leaving a balance unexpended of \$636.09, there is however a final payment to be made later, on the Stand Pipe Contract of \$646 which leaves a deficit of \$9.91 for which the Town will have to provide funds before the contract can be paid in full.

Report of Board of Selectmen.

At the annual meeting in March the Town adopted a new policy in regard to appropriations with a view of reducing the tax rate, and as a consequence the appropriations of several departments were reduced resulting in a material reduction in the tax rate for this year, and we wish to commend the various boards, also the citizens for their hearty coöperation to bring about this result.

Agreeably to this policy it became necessary to reduce the Police force, and your Board reorganized the force retaining the four men longest in service, suspending three of the youngest, this seeming to be only fair and equitable, the services of the older men having proved satisfactory.

Your Board is of the opinion that the policy of caring for the highways should be altered. In view of the changed conditions of traffic the amounts appropriated the last few years have been inadequate to allow of any permanent road building. It is our belief that the Town should provide for a bond issue of \$50,000 for permanent road improvement.

By this plan we should not only inaugurate a system of permanent highway improvements, but we believe that the excise and street railway taxes would take care of the interest and sinking fund requirements of a bond issue of \$50,000, and also of the yearly repairs of highways that would be necessary in addition to the permanent road building. In this way, under adequate management the tax rate on account of highways would be reduced instead of increased, and would also provide for a competent supervising engineer as hereafter suggested.

At the last annual Town Meeting it was proposed to make an appropriation of \$2,400 for oiling streets and \$650 for the purchase of an oiling machine, a total of \$3,050. This sum was reduced to \$2,000, out of which we have purchased an oiling machine, oiled the streets and returned to the Town Treasury the sum of \$539.65.

The past year has been characterized by an unusual rainfall, and a good deal of money, which might otherwise have been

devoted to repairs of highways, has had to be put into drainage. In this connection it is also our opinion that it would be for the best interest of the Town to repeal the present Water Act and place the Water and Highway Departments under the direct supervision of the Selectmen, with a competent Civil Engineer to act as superintendent of both departments, and we have prepared articles to be inserted in the Town Warrant, and also presented a Bill to the Legislature with this end in view.

The Selectmen have been very much commended for their wise action respecting the infringement upon the Town Farm by Mr. Stevens near the Melrose line. Some hot-headed person had even suggested that we should send the Superintendent of the Town Farm up there with a charge of dynamite to blow up the dam which Mr. Stevens has built upon the town land, but the Selectmen have insisted upon their policy of having the Town Farm registered in the State Land Court, in order that the whole power of the Commonwealth might be enlisted in defence of the boundaries of the Farm. For this purpose, the Selectmen have been patiently waiting since the last part of last year for an accurate survey of the Town Farm to be furnished by the Surveyors. As soon as this plan is furnished the Selectmen, we shall proceed to have it approved by the Land Court, and verified and defended by them.

Property owned by the Town on final sales amounts to \$7,372.96, deeds of which are in the hands of the Treasurer and we would recommend that they be sold at public auction.

GEORGE L. NOURSE,
HERBERT M. FORRISTALL,
FRANK P. BENNETT,

Board of Selectmen.

Assessors' Report.

Report of Chief of Police.

To the Honorable Board of Selectmen:

GENTLEMEN, — In accordance with the requirements of the Town Ordinance I have the honor to submit my twentieth annual report of the Police Department for the year ending December 31, 1915.

Chief of Police.

Charles O. Thompson.

Patrolmen.

Captain, Roland L. Mansfield, Frank W. Joy, James P. Sullivan.

Special Police.

Peter A. Flaherty, William M. Penney, Timothy J. Bannon, Morin A. Hazel, Christopher C. Merrithew, Charles F. Clark, Phillip Ward, William H. Semons, Alston F. Hart, James O. Cram, Mack Belliveau, Frank M. Symonds, Samuel C. Maddox, John P. Chesley, Justin E. Mansfield, Charles L. Davis, James F. Pratt, Arthur C. Clark, Thomas E. Berrett, Daniel B. Willis, Harvey Upham, Charles W. Woodbery, Howard P. McAdoo, William F. Parker, George W. Parker, Nathan H. Williams, James W. Rea, Thomas S. Sutherest, W. Charles Sellick, Carl F. Koch, Charles O. Popp, Herbert Holland, William F. Parker, Walter A. Hanson.

Arrests.

The total number of arrests for the year of 1915 was 142 of which 133 were males and 9 females.

The Following are the Offences.

Arson, 1; assault, 30; arrested for out of town officers, 6; adultery, 1; breaking and entering, 4; cruelty to animals, 1; drunks, 31; disturbing the peace, 4; disorderly conduct, 2; default, 5; disturbance on car, 1; keeping dogs not licensed, 15;

forgery, 1 ; illegal sale of liquor, 3 ; illegal keeping, 1 ; larceny, 8 ; non-support, 9 ; profanity, 2 ; rape, 1 ; robbery, 1 ; receiving stolen property, 1 ; stubborn children, 2 ; suspicion, 2 ; trespassing, 1 ; vagrant, 2 ; violation Town By-Laws, 4 ; violation school laws, 5 ; violation auto laws, 2.

Disposition of Cases.

Committed to House of Correction, 6 ; to State Farm, 1 ; State Board of Charity, 1 ; Danvers Hospital, 9 ; paid fines, 28 ; placed on file, 53 ; discharged, 26 ; defaulted, 1 ; released, 13 ; held for Grand Jury, 5 ; held for Superior Court, 4 ; appealed, 9.

Miscellaneous.

Complaints received and investigated, 992 ; disturbances suppressed, 49 ; doors found open and secured, 61 ; lights furnished for dangerous places, 42 ; lost children restored, 9 ; runaway horses stopped, 5 ; stray teams put up, 4 ; windows found open, 25 ; dogs killed, 85 ; lights found burning, 52 ; lost dogs restored to owners, 4 ; lost horses found and restored to owners, 3.

Keeper of Lockup.

There were 63 prisoners locked up during the year ; cost of keeper, \$110.36 ; meals, \$6.85 ; total expense of lockup, \$117.21.

Recommendations.

I feel that an explanation is due to the citizens for what may seem to them inefficient service in the Police Department the past year, but when you take into consideration that the force was reduced one-half, and also the appropriation nearly, that I feel that the best possible service has been given under circumstances. I have been handicapped very much the past year by not having an officer to call upon in case of emergency in the daytime, also, when prisoners are locked up there has to be a man on duty at the station. I am obliged to be out of town fully one-fourth of the time at Superior Court and on other police work, and at those times there is no one who can be called upon to attend to the many complaints which we are constantly receiving, and if anything happens of a serious nature, there is no one to attend to it, and while I still feel that the only way to give the best possible service is to have a man on duty all of the time to attend to these things as they do in every other town of our size in the Commonwealth, if this does not meet with the approval of the citizens, we could by having more

men have more territory covered, and the beats covered more hours, and have a man on duty at least part of the time when I am away. In the year of 1895, the population of Saugus was 4,497. The Town at that time had three patrolmen. In 1915, with a population of 10,041, we still have three patrolmen. The Police Department is not keeping up with the growth of the Town as the increase in the population makes more work for the police. The Town of Wakefield has a population of 13,000. They have a Chief and seven men. The Town of Swampscott, with a population of 7,300, has a Chief and seven men. The Town of Marblehead, with a population of 7,500, has a Chief and nine men. The Town of Nahant, with a population of 3,500, has a Chief and six men. The Town of Manchester, with a population of 2,900, has a Chief and six men. The Town of Saugus, with a population of 10,041, has a Chief and three men. I would therefore recommend that the sum of \$9,500 be appropriated for Police Service for the year of 1916. I would also recommend that the three men who were suspended last March be reinstated.

Conclusion.

In submitting my report, I wish to thank the Honorable Board of Selectmen for the support given me, also Judge Maurice F. Cunningham and all others who have assisted in the performance of my duty. I desire also to tender to the officers, both regular and special, my appreciation for their loyal coöperation.

Respectfully submitted,

CHARLES O. THOMPSON,

Chief of Police.

Report of Board of Engineers.

SAUGUS, MASS, January 10, 1916.

To the Board of Selectmen:

GENTLEMEN,—Your Board of Engineers, submit their annual report for the year ending December 31, 1915.

The department consists of a Chief Engineer, two assistant chiefs, three permanent men, twenty-three call men and four sub call men and a Superintendent of Fire Alarm.

Apparatus.

The apparatus consists of one automobile combination wagon, three hose wagons and one ladder truck.

Hose.

We have about 6,000 feet of hose of which 2,300 feet should be replaced this year.

The ladder truck we consider unsafe and recommend replacing the same with an automobile truck.

The department has responded to forty-two bell alarms and sixty-one telephone calls during the year.

ERNEST STUART,
J. W. NEWHALL,
ERNEST M. HATCH.

Report of Overseers of Poor.

Charities Department.

To the Citizens of the Town of Saugus:

In submitting our report for the year ending December 31, 1915, the Overseers of the Poor realize that, owing to circumstances over which they had no control, the success of the past year has not been quite equal to that of the previous year.

In the spring of 1915, business depression being such that many people were out of employment, it was found necessary to aid a great many families who otherwise would not have been obliged to receive aid; also, the number of families receiving Mothers' Aid increased, necessitating the expenditure of quite a sum of money in excess of the previous year.

The Overseers' appropriation, as voted by the Town, was \$8,500.00, and the total expenditures were \$9,261.43. We have received back from the Commonwealth of Massachusetts and from cities, towns and individuals, the sum of \$2,325.51, and we have bills still due from the Commonwealth, cities, towns and individuals, amounting to \$1,656.34. Therefore, the actual expenditure for this department for the year, 1915 has been \$5,279.56.

We recommend that our appropriation for this department for the ensuing year be \$10,000.00 which includes the salaries of the Overseers.

Saugus Home.

The Home has been excellently managed and the inmates well cared for under the conscientious supervision of the Warden and Matron, Mr. and Mrs. Carl Koch. Our total appropriation for the Home was \$9,200.00. We spent this year, \$9,561.52, there is \$99.52 due the Home on outstanding bills, making the total net expenditure for the Home, \$9,462.00.

The receipts from the Town Farm were \$8,549.98, leaving a net deficit of \$912.02 which is the net expense of maintaining the Home.

We recommend that the sum \$10,000.00 be appropriated for the ensuing year which includes repairs on the Home buildings.

Respectfully submitted,

GEORGE H. AMES, *Chairman*,
CHARLES W. BAILEY,
ANTHONY HATCH.

REPORT OF Sealer of Weights and Measures.

DANIEL B. WILLIS,

Inspector of Buildings.

SAUGUS, December 31, 1915.

Report of Tree Warden.

To the Citizens of the Town of Saugus:

I herewith submit to you my annual report for the year ending December 31, 1915.

I have removed a number of dead trees in different parts of the Town and a number of dead limbs, and trimmed a number of trees in all parts of the Town. I should recommend the sum of two hundred dollars for the care of Town trees this coming year.

Respectfully submitted,

T. E. BERRETT,

Tree Warden.

Report of Forest Fire Warden.

To the Honorable Board of Selectmen:

I submit to you the following report from May 1, 1915, to December 31, 1915.

I have taken care of six small forest fires and answered several calls from the State Forest Fire Warden. Owing to so much rain the past season the number of forest fires has been reduced. I would recommend the sum of three hundred and seventy-five dollars for the coming year.

Respectfully submitted,

T. E. BERRETT

Forest Fire Warden.

Report of the Board of Health.

The Board of Health respectfully submits its annual report for the year 1915.

The Board organized as follows:

Dr. Geo. W. Gale, Chairman; Chas. E. Light, Health Officer, and Tom D. Emmett, Secretary.

Appointed.

Thomas C. Southerst, Inspector of Plumbing. Dr. George W. Gale, Medical Examiner; A. W. Sawyer, Milk Inspector; T. D. Emmett, Dairy Inspector; Chas. L. Davis, Burial Agent.

Meetings.

Regular meetings have been held on the first Monday of the month, and special meetings, whenever necessary. Several hearings have been granted to persons complained of.

Licenses.

Licenses were granted to H. D. Bisbee, B. F. Fullerton, A. E. Quick and J. M. Blaisdell as undertakers. M. Monteith, Wm. C. Sellick, A. M. Stocker and M. F. Cunningham to clean vaults and cesspools.

Permits.

Permits were granted to several citizens to keep four or more horses. A small number of clam digging permits were granted, and to those only whom the Board were satisfied would not abuse the privilege.

Complaints.

All complaints, whether verbal or written, received prompt attention, and in every case the requests of the Board of Health were complied with. If the citizens will coöperate with the Board of Health, we need not fear the sewer problem for some time to come.

All persons who contemplate building cesspools should notify the Board that they may determine the location, and give such information as may be required.

Communicable Diseases.

Two hundred and seventy-three (273) cases were reported to the Board during the year and were reported to the State Department of Health. Twenty-three (23) cases were sent to the Lynn Contagious Hospital, one (1) to Malden Contagious Hospital, and two (2) to Rutland.

We consider it for the best interest of the public to remove all cases to the Hospital where there is a family of children, and if the parties are able to pay the expense, to collect the amount of the Hospital bill from them, but in many cases it is impossible for them to do so.

Of the cases sent to the Hospital, two were State cases, one belonged to Reading, and four to Lynn. Several bills have been turned over to the Legal Department for collection. A few cases living in other towns have been sent to Hospitals and charged to this Board, as they had a legal settlement in this Town.

Houses Unfit for Habitation.

In the early spring several places were reported to this Board, and upon investigation it was decided to condemn some of them. One family was ordered out of the premises and the owner notified of the action taken. Another was removed to the Saugus Home and the place closed up. One other was sent to Tewksbury and the shack destroyed.

Several other places were kept under observation until they had complied with the demands of the Health Officer. And we would recommend that this officer be allowed at least two (2) weeks in the month of April to thoroughly investigate the conditions of cellars, yards, outhouses and cesspools, and make such recommendations as his judgment each case requires. We believe that a little money spent this way would save more than the cost in Hospital bills.

Domestic Animals.

The Board of Health has reached the conclusion that pigs, goats and fowl are a nuisance, if not detrimental to the public health, and they are detrimental to the comfort of the neighbors.

This year there has been an unusual number of complaints regarding them.

Many pigs are kept without a permit and the amount collected for taxes would not pay for the time it takes to investigate the complaints, if the Town had to pay someone to look after such complaints. The time is cheerfully given by the Board on Saturday afternoons and Sundays in looking after such matters.

For all pigs killed and the Animal Inspector called, it costs the Board 50c. The amount collected this year in taxes for pigs is about \$40, and that amount will not pay for inspecting them when killed, therefore the Board would be justified in eliminating pig raising altogether from the Town, or charge a reasonable amount for each permit granted.

Health and Sanitation.

All bills presented to the Board before December 31st, have been paid. There remain a few unpaid bills which should have been presented before December 31st. We could have paid them and would have a small balance left.

We have paid for Hospitals bills, \$1,334.13; ambulance hire, \$100, fumigation, \$218.61; dead animals, \$22. A few years ago it cost the Board more than that amount nearly every month. \$1,300 was paid to C. B. Austin for collecting ashes, and garbage, and medical attendance, \$88.

Vital Statistics.

Bills amounting to \$238.90 were paid for the return of births, deaths and marriages.

There has been reported 219 births, 130 deaths and 80 marriages. The cost to this Board is, for every birth 75 cents, deaths 70 cents and marriages 20 cents.

Printing and postage for the department cost \$36.96; \$16.40 was paid for work on books. About half the expense was borne by the abutters.

Inspector of Milk and Slaughtering.

One hundred and seventy-five dollars was appropriated for this department, of which \$130.50 was spent.

Chapter 744 of the Acts of 1914 provides for a dairy inspector, who must inspect all dairies and grant permits before the Milk Inspector can grant a license to sell milk. We believe that all dairies should be inspected at least four times a year, and that a

sum of money should be appropriated for this purpose which would cost about \$75.00. Forty-three permits were granted this year.

Bills Due This Department.

We claim from the State of Massachusetts,	\$158 00
From the Trustees of the Consumptives'	
Hospital	65 00
From the Town of Reading	27 86

There are several bills that should be paid by citizens if able, that would amount to about \$500.00, which amount would cut down the running expenses in this department.

Mosquitoes.

We have purchased a small amount of oil and spraying pumps, and will endeavor to experiment with these troublesome things in the early spring. The expense has been \$23.43.

In Conclusion.

We desire to call the attention of the citizens to this report and ask them to carefully consider the amount of time and labor it takes to carry out the work of this department. All contagious cases must be reported to the State Department of Health, also to the State District Medical Examiner and then placed on record. Cases which belong to other cities or towns which we pay for, bills must be sent to them and collected. No cases will be accepted at any hospital unless the patient can pay at least two weeks in advance. The records must show the patient's name, age and address, the doctor's name who reports the case, the grade and school they attend. The settlement must be determined and that town or city notified, or if it should be a state case the State Board of Charity must be notified with all facts of the case within 24 hours or they will not recognize the case, so that if the secretary should neglect to report one case of scarlet fever, it would cost the Town more than the salary of the whole Board amounts to.

The Board purchased a typewriter for the use of the Secretary at the expense of \$25, to assist in getting out the work in proper form.

We wish to thank the citizens for their support and coöperation during the year and for voting the amount of appropriation asked for, which has just carried us through with a small balance in each department.

With an epidemic of scarlet fever and diphtheria, through the Fall, we believe we have carried out the watchword for the year, which is economy.

We have tried to be impartial to all, and have tried to make the laws and rules apply the same to everyone with whom we have had to deal.

Respectfully submitted,

DR. GEORGE W. GALE, *Chairman.*

CHARLES E. LIGHT, *Health Officer.*

TOM D. EMMETT, *Secretary.*

Report of Cattle and Milk Inspector.

To the Board of Health:

GENTLEMEN,—I have inspected the following slaughtered animals and found the same to be in a healthy condition, with the exception of one hog, which had tuberculosis and was disposed of by rendering.

Cows	4
Calves	4
Hogs	144
							<hr/>
Total	152

Owing to the presence of hoof and mouth disease in other places, the annual inspection was omitted.

I have issued 45 milk licenses.

Respectfully,

A. W. SAWYER.

Report of Inspector of Plumbing.

CLIFTONDALE, MASS., December 31, 1915.

Board of Health, Saugus, Mass.:

GENTLEMEN,—In accordance with the requirements of Chapter 103 of the Revised Laws of Massachusetts of the supervision of plumbing, I herewith submit my annual report for the year ending December 31, 1915.

The number of inspections during the year, will be found in the table herewith annexed.

Total number of inspections	307
Permits issued	98
Permits refused	9
Complaints of violation of ordinance	3
Complaints of violation of ordinance investi- gated	3
Cesspools inspected	107

Respectfully submitted,

THOMAS C. SUTHERST,

Plumbing Inspector.

Report of Library Trustees.

The Town of Saugus has maintained a public library since the year 1887. Under the watchful care of a few kind friends it has grown slowly but steadily. Having passed more or less unnoticed through the stages of infancy and youth, it is found in 1915, the centennial year, at a vital point in its career.

Is it to maintain its present degree of usefulness, or is it to go forward, keeping pace with present day requirements and giving the citizens something worth while and something to be proud of?

The Trustees feel that now is the time for to go forward.

Will you help us?

We have earnestly endeavored to make the most of our appropriation, to improve and extend the library and to lay plans for its future development. With this in mind, the Massachusetts Free Public Library Commission was invited to make an examination of the Library and its needs. Mr. John A. Lowe, agent of the commission, spent several days in this work, and the report of the commission was received by the trustees in January of this year.

Following are some of the vital points in the Commission's Report:

The Town is at present appropriating less than fifteen hundred dollars (\$1,500) for the library, far too small a sum for the sort of service the library should render the community, a sum which is way below what other towns the size of Saugus are providing.

The Library should have at least a \$2,000 appropriation. An increase of \$1,000 would raise the tax rate one cent and six mills. To raise the appropriation from \$1,400 to \$2,000, would increase the tax rate just one cent.

The Library needs, perhaps most of all, new and better quarters. It is at present located in the old Town Hall, over the Manual Training School. The danger from fire is great. Should one occur it would destroy the entire collection of books now owned by the Town, and the slow and expensive work of building up a Library would have to begin anew. Besides this danger, the place is unattractive, noisy, difficult of access and inadequate.

The Library should be housed in a new building in which the citizens would take pride, to which they would be glad to go and for which they would be willing to work.

Better branch service both for Cliftondale and E. Saugus is a crying need.

Public interest and enthusiasm should be aroused and maintained.

No institution can stand still. It must go backward or forward.

Will you give the Library a push — *Forward?*

Respectfully submitted,

W. SANFORD FULL, *Secretary.*

ROBERT T. ALLEN,
HERBERT E. DODGE,
J. ARTHUR RADDIN,

Water Commissioners.

REPORT OF COMMITTEE APPOINTED TO LOOK INTO THE ADVISABILITY OF A NEW SCHOOL BUILDING IN SAUGUS.

Pursuant to the vote passed at the special Town Meeting held in November, 1915, the moderator appointed the undersigned, a Committee of five citizens, to look into the advisability of the construction of a new schoolhouse in Saugus and to make its recommendations in connection therewith to the citizens of the Town at the annual meeting to be held in March.

Immediately after the appointment the Committee organized with Frank P. Bennett as Chairman and Joseph G. Bryer as Secretary. The Committee have held at least one meeting each week since the time of its organization and it has on one occasion visited another Town to look over a certain type of construction which appealed to it at that time.

Many architects have been requested by the Committee and others have sought of their own volition to submit their suggestions in regard to the type of building best suited to the needs of the Town. Some twelve or fifteen different architects prepared sketches and elevations for the proposed building, the cost of which were estimated at various amounts ranging from \$65,000 to \$95,000.

The first question considered by the Committee was whether or not a new schoolhouse was needed in the Town. It found in this connection that the schools in the various sections of the Town were in an overcrowded condition and especially in the High School Building where sessions of the High School were being held in the morning and sessions of the ninth grade were being held in the afternoon. From its observations of this situation the Committee came to the conclusion that additional schoolhouse facilities must be provided in the immediate future.

The next problem considered was as to the nature and location of the proposed building. Some study was given by the Committee to the present school curriculum and the Committee

were of the unanimous opinion that a reduction of the present educational period of 13 years for the ordinary child to a period of 12 years was advisable. This period of 12 years the Committee recommends being divided into a six and six division, that is to say, during the first six years of the school life, the child should carry on the work now done by the children of the first six grades of the school. There should then be established a Junior High School for a period of three years and a Senior High School with a course of equal length. This plan entailing as it does the elimination of the ninth grade, meets with the approval and the repeated suggestions of the Superintendent of Schools. It is a plan recognized by leading educators in the country and has been adopted by many of the Cities and Towns in this Commonwealth. With the establishment of a Junior High School, so-called, the Committee felt that the most economical solution of the overcrowded condition of our schools was by the segregation of all grades above the sixth in the Town, in one central building where departmental instruction could be instituted and the education of the children carried on at its highest efficiency.

Following out this decision it was felt that the first consideration in determining the location of the building was that the building should be centrally situated in connection with the lines of transportation. The location in the immediate vicinity of the present High School is undoubtedly the best adapted in the Town from a transportation viewpoint as every means of transportation in the community passes in close proximity to that point.

The construction of a building near the present High School and the consequent location of all grades above the sixth in this building in a Junior High School, so-called, will relieve the congested conditions existing in all the other sections of the Town, and should provide for a normal growth of the school population of the Town for a number of years to come without additional school buildings. The adoption of such a plan should carry with it the consideration of eventually constructing a Junior High School at Cliftdale, East Saugus and North Saugus when the growth in these particular localities demand additional school facilities in other sections of the Town. This, however, should not be necessary until some quite distant future date. The establishment of the Junior High School at the point above suggested and the employment of a principal who

should have charge of both the Junior and Senior High Schools should add to the efficiency of both schools and should bring about many economical features in connection with the cost of janitor service and the fuel expense.

Your Committee therefore recommends the following propositions to the Town :

(1) The reduction of the present school term from thirteen years to twelve years for the normal school life of a child.

(2) The establishment of the six and six plan, so-called, with a Junior High School course of three years and a Senior High School course of equal length, the adoption of which recommendation will result in the elimination of the ninth grade.

(3) The acquisition by the Town of all available land in the rear of the present High School building. The Committee find that this land can be purchased at its assessed value, and the various owners have offered the land to the Town at that figure.

(4) The construction of a 12-room building with an auditorium, either in addition to or in conjunction with the present High School Building.

(5) Changes in the present High School Building whereby the auditorium therein, now located on the third floor, shall be divided into recitation rooms and a study hall. Your Committee feels that it should recommend to the citizens of the Town that the present auditorium should not be increased in size to be used for auditorium purposes, as there can be no question but that such a use would be a fire hazard of a serious nature.

(6) While the Committee has considered many different plans, the provisions of some three or four of which fully answers the needs of the Town in regard to its schoolhouse requirements, and it has decided that a site can be purchased, a building built in accordance therewith, and the proper furnishings and equipment provided therefor within the sum of \$75,000, yet we feel that the selection of any one of these plans, or of any other plan, and the choice of an architect to prepare final plans and supervise the work should be left open for the consideration of the permanent Building Committee as recommended herein.

(7) Your Committee as a result of its investigation feel that the suggested site may be purchased, a 12-room building erected

thereon and proper furnishings provided for said building for a sum not exceeding \$75,000.

(8) Your Committee recommend the appointment of a permanent Building Committee of five citizens to be chosen by the Moderator, and the issue of bonds or notes of the Town to the amount of \$75,000 to be used for the purchase of a site, and the construction of a building thereon with the necessary equipment and furnishings.

(9) Your Committee have prepared what it deemed to be proper articles for insertion in the annual Town Warrant and respectfully recommends to the Town the adoption of said articles.

Respectfully submitted,

FRANK P. BENNETT, *Chairman*,
JOSEPH G. BRYER, *Secretary*,
GEORGE QUARMBY,
W. GEORGE GREENLAY.

NOTE: Edwin K. Hayden, the fifth member of this Committee, having left for the South early in the year, did not participate in the final deliberations of the Committee and has not been consulted by the Committee in connection with its final report.

AN ACT PERTAINING TO A Superintendent of Public Works.

The following is the Act which is to be voted upon on the Ballot at the coming Town Election, to abolish the Water Department and appoint a Superintendent of Public Works under the control of the Board of Selectmen.

AN ACT.

Relative to the Powers and Duties of Municipal Officers of the Town of Saugus.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The powers and duties conferred and im-
2 posed by chapter ninety-one of the acts of the year nineteen
3 hundred and eleven, upon the water commissioners of the
4 town of Saugus are hereby vested in the selectmen of the
5 said town; and the board of water commissioners is hereby
6 abolished.

1 SECTION 2. The selectmen of the town of Saugus are
2 hereby authorized to appoint a superintendent of public
3 works who shall perform under their authority and direc-
4 tion the duties of the present water commissioners of the
5 town, and shall also, subject to the authority and direction
6 of the selectmen, perform the duties of the selectmen in
7 respect to the construction, maintenance and repair of
8 streets, ways, bridges, sidewalks, monuments at the termini
9 and angles of roads, guide-posts, drains, water-mains and
10 services, and any pipes or fixtures through which water is
11 supplied. The superintendent of public works so appointed
12 shall be a person specially fitted by education, training or
13 experience to perform the work devolving upon him.

1 SECTION 3. His term of office shall be three years. He
2 shall be sworn to the faithful and impartial performance of

3 his duties by the chairman of the board of selectmen of the
4 town, or by the town clerk or by a justice of the peace, and
5 shall receive such compensation for his services as the board
6 of selectmen may determine.

1 SECTION 4. A majority of the board of selectmen may
2 remove the superintendent of public works by filing a
3 written statement with the town clerk setting forth in detail
4 the specific reasons for his removal, a copy of which shall
5 be delivered or mailed to said superintendent: *provided,*
6 *however,* that, if the superintendent so requests, a hearing
7 shall be given him. The decision of a majority of the
8 selectmen made after the hearing shall be final.

1 SECTION 5. Any vacancy in the office of superintendent
2 of public works shall be filled in the manner provided
3 above for the remainder of the term. Pending such
4 appointment, the board of selectmen may designate a per-
5 son to perform the duties of the office temporarily.

1 SECTION 6. This act shall take full effect upon its
2 acceptance by a majority vote of the voters of the town of
3 Saugus present and voting thereon by ballot, at the next
4 annual election, and for the purpose of such acceptance this
5 act shall take effect upon its passage.

ANNUAL REPORT
OF THE
SCHOOL COMMITTEE
AND
Superintendent of Schools
OF THE
TOWN OF SAUGUS

FOR THE YEAR ENDING DECEMBER 31, 1915

LYNN, MASS.
FRANK S. WHITTEN, PRINTER
1916

SCHOOL COMMITTEE.

AND ASSIGNMENT OF SCHOOLS.

JOSEPH G. BRYER, <i>Chairman</i>	Term expires 1917
High School, Felton, Emerson.	
MRS. ANNA S. HASTINGS, <i>Secretary</i> ,	Term expires 1916
Clifftondale, Lincoln, Armitage.	
MRS. MARY A. HANSON	Term expires 1916
Roby, Oaklandvale, Old School.	
LAWRENCE E. MORSE	Term expires 1918
Ballard, Mansfield.	
ARTHUR S. EDMANDS	Term expires 1918
North Saugus, Lynnhurst, Manual Training.	

SUPERINTENDENT OF SCHOOLS.

WILLIAM F. SIMS, Residence, 15 Emory street.

Office Hours: At Town Hall, 8 to 9 A. M. Mondays, Tuesdays, Thursdays and Fridays; 4 to 5 P. M. Mondays, Tuesdays and Thursdays. At Brick School, Clifftondale, 8.30 to 9 A. M. Wednesdays.

SCHOOL CALENDAR.

Winter term (8 weeks), January 3—February 25, 1916.

Spring term (8 weeks), March 6—April 28, 1916.

Summer term (7 weeks), May 8—June 23, 1916.

Grammar School graduation, Thursday, 2 P. M. June 22, 1916.

High School graduation Friday, 8 P. M.—June 23, 1916.

Fall term (16 weeks), Tuesday, September 5—Friday, December 22, 1916.

Thanksgiving recess, 2½ days, beginning at noon, Wednesday.

Winter term (8 weeks), January 2—February 23, 1917.

NO SCHOOL SIGNAL.

2-2—2-2 on the fire alarm, and street lights turned on five minutes.

At 6.30 A. M., means no High School session for that day.

At 8.10 A. M., means no morning session in the Grade Schools.

At 11.15 A. M., means no Ninth Grade session. (The street lights cannot be used for this signal).

At 12.45 P. M., no afternoon sessions.

Report of School Committee.

To the Citizens of the Town of Saugus:

In March, following election, the Committee organized with Joseph G. Bryer as Chairman and Anna S. Hastings as Secretary. During the year the Committee has held thirty-one meetings at nearly all of which the entire membership of the board was present. After a careful study into the financial needs of the school system, the Committee recommended to the citizens an appropriation of \$57,800 for school purposes. At the annual town meeting held in March, the citizens appropriated the sum of \$54,000 for school purposes and in November an additional appropriation of \$1,800 was made to carry on the School Department for the balance of the year.

Immediately after the annual meeting, the Committee spent considerable time to devise some method by means of which the schools could be run upon the original appropriation. By cutting down the length of the school year, and by purchases of a smaller supply of coal than has been made in the past, it was thought that the department could be maintained within the appropriation. When the Special Town Meeting was called in November, a study was made to ascertain the amount necessary to maintain the schools upon the schedule which has been carried on in this Town for a long period of years, and it was found that with an additional appropriation of \$1,800 this could be done. Of this additional appropriation, \$80 remained unexpended at the end of the year and was returned to the Town Treasurer as an unexpended balance.

The School Department has been conducted upon the basis of most rigid economy in all departments and it has been able to maintain its system for some two thousand dollars less than that recommended to the Town in March; but your Committee is still of the opinion that the difference in the amount recommended and that expended, if it had been used for school purposes, would have increased the efficiency of your schools far in excess of the proportionate expense thereof. The Committee has found it necessary to deny many requests for school needs

and to desist from taking up various phases of the work which were deemed to be of a highly beneficial character to the entire system.

The schools of the Town are at the present time being conducted at a far less total expenditure of money than any other town or city in the Commonwealth having a school population numerically approaching that enjoyed by the Town of Saugus. Your Committee realizes that the school expense in the Town of Saugus is a heavy and disproportionate burden on its taxation problem but the children are with us and under the statutes of this Commonwealth must attend our public schools and it is therefore necessary that large appropriations for school purposes shall continue until some solution of the problem is provided through the agency of state aid.

Your Committee has exerted its utmost influence during the year to bring about a higher degree of harmony and unity of efforts in the educational system of the Town. We feel that much has been done in the direction, especially in the High School, where the teachers seem to be putting their best efforts to bring the school into its highest degree of efficiency and efficacy.

Commercial Course.

The work at the High School this year has been most satisfactory considering the present conditions. Representatives of the State Board of Education commend the work there, yet call our attention to the necessity of having two more teachers if we are to continue to certificate our pupils to the State Normal Schools.

The wisdom of the citizens of the Town in instituting and retaining the Commercial Course in its High School has been clearly established during the past year, and the product of this branch of the school is improving to a most satisfactory standard. The Committee believes that the finished graduate of this course, who has had the entire three years' work originally planned for in the curriculum, should be a credit to the school and their ability to go into the business world and compete with the graduates of business colleges should be irrefutable. A reference to the report of the High School Principal, and the statistics contained therein should relieve the mind of every citizen who has any doubt concerning this proposition.

The Domestic Science Course continues to justify itself in the self-supporting luncheon, yet the ever-present question seems to

be: Shall we continue to give our girls instruction in scientific and economical cookery with the belief that once started correctly they will continue that way, or shall we take the chance that they may learn in the home? Instinct no more teaches a girl to cook than it teaches a boy a trade. Either must have training or their work will be, except in rare instances, mediocre. Then, too — Shall our boys, most of whom cannot go to higher institutions, be left to take up whatever work comes along, or shall they be given a scientific training which may give them a definite inspiration for the future. These courses have been detailed and their efficiency shown by the Principal of High School in his report. It remains for you decide whether or not we shall cripple our High School and take away the chances of our pupils in competing with pupils of neighboring high schools.

Your Committee is firmly convinced that the citizens of the Town should carefully consider the questions concerning school matters, which have been referred to the Finance Committee, and they feel that any action, other than the retention of the coaching teachers, and the Manual Training and Domestic Science Courses, will be a step backward in the school standards of the Town.

Repairs.

The amount voted by the Town at the 1915 annual meeting for repairs on school buildings was \$1,500.00. This was \$500.00 less than the appropriation for the previous year. This amount might in all probability have been sufficient had it not been found necessary to make several expensive repairs, among which were new tubes in one of the boilers at the Roby School which were condemned by the Inspector of Boilers on his annual trip of inspection during the summer vacation. Also new steps and a platform were installed at the Armitage School and one new set of basement steps at the Roby School. In addition to this, it was found necessary to do a large amount of painting on the interior of the building at North Saugus and to make other extensive repairs both inside and outside of the same. This was made necessary in part by an epidemic of scarlet fever and diphtheria which appeared immediately after school opened in the autumn. It was then found necessary to ask the Town for a further sum of \$500.00 which was voted at the meeting held in November. This sum enabled the Committee to continue the work already begun and carry it forward to a point where it

could rest until settled weather in the spring should favor its completion. We recommend that the outside of the North Saugus Schoolhouse be painted, as some repairs have been made on the clapboarding.

Sanitation.

We feel at this time that much emphasis should be put upon this subject and recommend that at an early date all outside toilets be done away with and modern sanitariums installed, especially in those schools located in thickly settled communities. We recommend this improvement as we feel that outside toilets are not only a menace to the health of the children but to the occupants of adjacent property as well.

Parent-Teachers' Association.

The Parent-Teachers' Association, at the Felton School, has increased its activities during the past year, and has equipped with fixtures for electric lighting, the lower hall and Principal's room, in order that evening meetings may be held there. Numerous lectures of vital interest to parents and teachers are being given, thus bringing about a closer relation between the home and the school without which, little can be accomplished for the child.

Miss Smith, the Principal, as well as the other teachers, have reason to be proud of their organization which is ably led by Mrs. Leon Adams.

A suggestion might be made to include other schools in this organization thus bringing the benefits enjoyed to a greater number.

Your Committee heartily indorse the suggestions contained in the report of the Superintendent and the Principal of the High School relative to High School Athletics and the need of proper playground facilities for the benefit of all the school children of the Town.

Respectfully submitted,

JOSEPH G. BRYER, *Chairman*,
ANNA S. HASTINGS, *Secretary*,
MARY A. HANSON,
ARTHUR S. EDMANDS,
LAWRENCE E. MORSE.

School Committee, Town of Saugus,

Report of Superintendent of Schools.

To the School Committee of the Town of Saugus:

The twenty-third annual report of the Superintendent of Schools is here presented.

School Accommodations.

The most important consideration demanding the attention of your Committee and the Citizens of Saugus, with reference to our schools, is more school room. As is known to all, the hours of the High School and the Ninth Grade have been changed in such a manner as to accommodate these large schools. The High School pupils use the High School Building from 7.40 A. M. to 12.15 P. M., and the Ninth Grade pupils use the same building from 12.30 to 4.30 P. M. I am glad to report that both students and parents have accepted this unusual situation almost universally with a fine spirit of coöperation. The length of the High School day has not been materially changed, although it begins at quite an early hour. It is probably true that the results will be quite as satisfactory as heretofore. The condition, however, is not an ideal one. It is hardly to be expected that pupils can rise so early in the morning, eat a hasty breakfast and get to school prepared to do their best work. Nevertheless, the effort that is being made by all to make the best out of this situation is gratifying to all concerned with the management of the High School.

The length of the school day for the Ninth Grade, however, is one hour shorter than required by statute law for a school day, excepting those days on which the pupils take manual training and domestic science. On account of this short school day the Ninth Grade pupils have only three study periods per week at school. It is therefore necessary that more than the usual amount of home study must be done by these pupils. Because of this situation the work of the Ninth Grade has not been as good as it should be. Some of the Ninth Grade pupils and their parents have failed to understand this situation, with the result that the school work of these pupils is not as good as it should

be. However, the work has improved and we hope we will not have at the end of the year as many failures as at one time seemed probable.

We are now using the vacant room in the old school building at Saugus Centre four mornings per week for a study hour for those pupils who desire it and for those pupils of whom it is required by the teachers. This plan removes the necessity of pupils stopping after school at night. Four-thirty o'clock is late enough for the pupils to be at school during the short winter days. I believe the plan will greatly improve the work of our Ninth Grade.

A New Building.

This statement of the congestion at the High School foretold by me several years ago in my annual report brings before us the need of a new school building. While seeking to relieve this congestion we should also endeavor to improve our school system. It should be our aim to provide a more efficient system of schools and if more efficient it will also be more economical. As pointed out in previous reports the purpose of our next building should be the consolidation of all grades above the sixth and the elimination of the Ninth Grade. If the work of the school is to become more efficient, departmental teaching must begin with the Seventh Grade. Teachers must be selected for their ability to teach one subject unusually well. Therefore, it is necessary that the same method of teaching prevail in the six upper grades as are to be found in the best High Schools to-day.

A Differentiated Course of Study.

One mistake of the elementary schools universally recognized to-day is that of requiring all pupils to pursue the same course of study. Subjects have been added to the elementary curriculum to such an extent that the purpose of the school is almost thwarted in trying to do so many things. Superficiality is almost a certain result. The redeeming feature of this situation, however, is that superficiality, if found, generally prevails in the work of those subjects not considered to be fundamental. Now this broadened program of the elementary schools is a mistake when forced upon every child. This mistake is being remedied throughout the country by the introduction of differentiated courses of study. In these courses of study the fundamentals will be thoroughly taught in all. The pupils will do here with the help of their teachers and parents what they are now doing

in the High School, namely, select such a course of study as suits their needs. The pupils preparing for college will follow a different line from the pupils preparing for commercial work and both different from the pupils intending to engage in some industrial occupation.

[Compulsory Age of Attendance.

Statute law together with industrial conditions requires that all children attend school from seven to sixteen years of age. A differentiated course of study which will be made possible by a new building will make the school life of all the pupils more agreeable, and hence more effective from an educational point of view. Discipline in consequence will be easier and the interest in school work will be greater. The number of pupils driven to their school work by parents and teachers will be greatly reduced.

Age of Entrance.

This six and six plan, that is six years of elementary and six years of secondary grades, which is fast becoming the universal school system of the United States, pre-supposes that the school life of the child will begin at six years of age. This is as it should be. I know from the testimony of first grade teachers who have had many years of experience in teaching children of both five and six years of age that the age of six years is the better time for the beginning of school life. As we receive pupils in our schools only in September, some children are kept out of school to a rather late age for entrance. The best way to meet this condition would be to have pupils enter in February as well as in September, that is, at the beginning of each half year of school. This plan would mean a semi-annual promotion for all pupils in the school system, with a High School graduation at the end of each half year. The mid-year graduation could be postponed and combined with the June graduation, permitting, however, the pupils to leave the schools as soon as their work was completed. Such a plan involves more work for the teachers and more expense to the system. Still there would be ample justification in the results that would follow.

Coaching Teachers.

It is estimated by the regular teachers that during the past six years the coaching teachers have prevented about 160 pupils failing of promotion each year. We can say now what we

could not have said previously that there is practically no retardation in the public schools of Saugus. By that we mean that each pupil is in the grade where his age determines that he should be, with very few exceptions. And the cost for bringing about such a condition has been too trivial in comparison with the good accomplished to merit serious consideration.

Many times we have been able to keep the regular schools in session by placing the coaching teacher in charge of the room for a half day or more when the regular teacher has been unable to carry on her work. Frequently we are unable to obtain a substitute on the short notice given. In such cases the coaching teachers take charge until a substitute is found or the regular teacher returns to her work. Without the coaching teacher these schools would necessarily be closed until a substitute could be found. This means a more efficient school and a financial saving for the Town. Until we have smaller schools and until we have no backward pupils let us not seriously consider dispensing with the services of our coaching teachers. We can find no better instance of combined efficiency and economy than in the results of their work.

Manual Training.

We have a Manual Training equipment valued at twelve hundred dollars. Most of the work done in the manual training room is bench work, wood turning and pattern making. We have also in times past done some work in moulding and in concrete construction. The work is taken by the boys from the seventh grade through the second year of the High School. On account of discipline and on account of the variety of the work to be done none but an experienced teacher with the proper training would be likely to succeed here. We have such a teacher in charge now and the school has never turned out better finished work than it is doing at the present time. All good school systems are endeavoring to maintain courses in manual training. The cost of the course, for materials and instruction, is about four dollars per year per pupil.

In this connection I give a copy of a letter received from our State Commissioner of Education.

Massachusetts Board of Education,
Ford Building, Boston,
March 18, 1915.

MR. WM. F. SIMS,
Superintendent of Schools,
Saugus, Massachusetts.

My dear Mr. Sims :

The impression seems to have gotten abroad, at least in the minds of a few people, that because the agents of the Board of Education are interested in vocational education they have ceased to be interested in manual training in elementary and high schools for boys, and in household arts for girls.

I want to assure you that, in the minds of myself and my co-workers, there has been during recent years no diminution of interest in these subjects. We have come to recognize that manual training cannot be regarded as equivalent to vocational training. On the other hand, I believe that manual training for boys from twelve to sixteen years of age, including under this head various forms of bench and machine work, as well as miscellaneous repair and construction work, is invaluable as a means of general education. Equally, I hold that work in household arts work constitutes a valuable part of the general education of girls of the same ages. All of this work, as I see it, should be taught by departmental teachers, and should be made quite practical, each piece of work having some definite usefulness.

Trusting that this will explain my position,

Very sincerely yours,

DAVID SNEDDEN.

When we consider the necessity of the school's undertaking such work and when we consider the equipment that we already possess for doing such work it would be extreme folly to think of abandoning the work at the present time.

Make Manual Training more Effective.

Instead of abandoning this work we should endeavor to make it more effective. We should endeavor to eliminate its shortcomings and its disadvantages. We should find out why the work is any way unsatisfactory and having found the reason we should remove the hindrance to success. Some places utilize

this department in connection with the repairs upon its school buildings. We in Saugus, have had some pieces of school furniture constructed by this department at a considerable saving of our finances. All the typewriting tables in use in the commercial department of the High School have been so made and the saving on this one item alone amounts to nearly one hundred dollars. The platforms for the school desks used in the commercial department were also made in the manual training room. Other pieces of work have also been done by this department.

When we consider that we spend for regular and special repairs upon our school buildings about twenty-five hundred dollars per year we may find here an opportunity to give to some of our boys more specific training along the lines of building construction. Suppose for instance we had in our schools three or four boys over 14 years of age who desire to learn the plumber's trade. If our plumbing repairs were in charge of a competent man, much of the work could be done by these boys to the mutual advantage of the boys and the school.

The same is true of the carpentry repairs and also of the painting repairs.

This form of vocational training is no longer opposed by trade unions. Some communities where trade unions are much stronger than they are in Saugus are doing this sort of thing in connection with their schools.

Domestic Science.

In view of the above letter from our State Commissioner of Education, in view of the equipment that we have for doing work in domestic science, in view of the satisfactory management by this department of our High School lunch counter it would be no less foolish for us to discontinue this work.

As a matter of school management, especially in the grades, manual training for the boys ought not to be undertaken without the course in household arts for the girls and vice-versa. When the boys are doing work in manual training the girls should be doing work that is essentially for girls and vice-versa. Therefore it would be unnecessarily expensive to try to carry on one form of work without the other. The cost of this department for materials and instruction is about one dollar and seventy-five cents per year per pupil.

School Savings.

The teaching of thrift might well be undertaken by the school. Various systems are to be found in use. It would probably cost us several hundred dollars to properly install and carry on an effective system. This has not been previously recommended by me, largely on account of the expense connected with it. If, however, after due consideration at any time you would care to introduce a savings system I am ready to see that the same is faithfully carried on in accordance with your wishes.

Building Inspection.

Your attention is invited to the possibility of enlarging the work of our Town Inspector of Buildings to the extent of having him inspect the school buildings at regular and stated intervals to discover their needs in the line of repairs. Having found what repairs he considers necessary he should make a report to you, carefully specifying what the work should be. You could then call for intelligent bids upon the work and all bidders would make their bids upon the same carefully drawn specifications. By such a plan I believe the Town would be more likely to get, in all cases, the full value of the money spent for repairs.

Your attention is also invited to the possibility of enlarging the duties of our Town Inspector of Plumbing in a manner similar to that mentioned above for the Town Building Inspector.

The Schools and the Centennial Celebration.

In connection with the celebration of the one-hundredth anniversary of the Town, Honorable Benjamin N. Johnson, of Lynn, offered to the pupils of the Saugus High School three prizes in gold for the best written sketch pertaining to the inhabitants of the Town of Saugus or to the town's history. The first prize, twenty dollars in gold, was won by Constance Hughes, of the Class of 1918, for an essay entitled "Boston's Country Cousin." The second prize, fifteen dollars in gold, was won by Vivian Smith, of the Class of 1916, for an essay entitled "The History of Saugus." The third prize, ten dollars in gold, was won by Ruth Symmes, of the Class of 1916, for an essay entitled "History of Saugus."

At the patriotic meeting Sunday afternoon, July 4, the music was furnished by the High School Chorus.

In the parade Monday morning, July 5, the schools were represented by nine floats, the first being two large pictures,

6 x 9 feet, of the Old Rock Schoolhouse, painted by Daniel McCarthy, a pupil in the second year class of our High School. The second float represented an old-fashioned district school. The third, a modern primary school. The fourth, a modern grammar school. The fifth, a float showing the science department of the High School. The sixth, a number of pupils typewriting to show our commercial department. The seventh, a float with four girls at work, illustrating the domestic science department. The eighth, four boys doing bench work and lathe work, typifying the manual training department. The ninth, two large pictures, 6 x 9 feet, of the Ballard School, our most recent school structure, painted by Leslie Littlefield, a pupil in the first year class of our High School.

This feature of the parade was made possible for the School Department by the generosity of the individual owners of the teams and motor trucks used for the floats.

The history of the Town compiled by Mr. H. H. Atherton, Jr., on the occasion of this celebration should be put into the form of a text book for use in the public schools of the Town. Few towns have more historical connections with the growth of America than Saugus. No better preparation of the study of American history can be given to Saugus pupils than a systematic study of the history of the Town, especially its early history. The study of history like the study of geography might well begin at home, gradually enlarging the horizon each succeeding year. I am glad to report to you that the Board of Trade is preparing 500 bound copies of this history which will be presented to the schools for such use as we deem proper. I recommend the acceptance of the same by you and that this text be adopted for regular use in our schools.

Needs.

New walks and improved grounds at the High School. The expense for this would be justified not only in the general appearance of the grounds but also in the saving of the school floors, the lessening of the janitors work and in the reduction of the amount of germ laden dust within the building.

Some playground apparatus for all our school grounds.

At least one large athletic field to be bought or rented by the Town.

More medical inspection. By that I mean the employment of a school dentist and a school nurse. The cost of this additional

work would be a trifle and much less than what we are now paying for medical inspection.

Some way for humidifying the air in the schoolrooms during the long winter months.

One more teacher for backward pupils.

A nominal addition of equipment for all special departments.

A revised code of regulations for the School Department that will carefully define the duties of all connected with the department.

One new building for the seventh and eighth grades and the elimination of the ninth grade.

The organization of our school system on the basis of either "the six and six plan" or the six year elementary course with junior and senior high schools of three years each.

A larger and more suitable office for the School Department.

To keep the office of the School Department open throughout the day in order to better serve the large number needing educational certificates.

A larger teaching corps in the High School in order to maintain a "Class A" standing for our High School in accordance with the requirements of the State Board of Education.

Conclusion.

In addition to the usual tables and statistics given in our school report we are including a single page cut giving a picture of all our school buildings. We publish this for two reasons. First, no such cut is to be found anywhere in any of our public records. Second, as we are contemplating the erection of more school buildings this page will show what school buildings we already possess as well as the capacity of each.

This report is concluded with the expression of my appreciation of your helpfulness and coöperation in the management of our public schools. I also wish to commend the services of our teachers, of our school physicians, of our janitors and of our attendance officers. I believe that each and all have rendered their most conscientious service. I would especially express my appreciation this year of the help received from the Board of Trade.

I would also commend the citizens of Saugus for the generous manner in which they have voluntarily taxed themselves for the support of our schools. For the school year ending in June 1915, the per capita cost of our elementary schools based on average membership was \$24.75. While this sum is less than

the \$30 per pupil which experts tell us is the least amount for which an efficient school can be maintained, yet I sincerely believe that in the fundamentals of public school education our schools will not suffer greatly in comparison with the schools of other places spending a much larger sum for education. The per capita cost for our High School based on average membership has been \$42.46. Experts tell us that the minimum amount for High School education per pupil should be \$60.

While we have spent a trifle less per pupil than the minimum standard of efficiency demands, the burden upon the taxpayers has been about eight dollars and twenty-eight cents a thousand dollars of valuation, nearly twice the average taxation cost for the public schools in the Commonwealth of Massachusetts. Therefore, I say again that the citizens are to be commended for the cheerful manner in which they have appropriated such sums as we have spent for our public schools.

Respectfully submitted,

WILLIAM FISHER, SIMS,

Superintendent of Schools.

SAUGUS, MASS., January 24, 1916.

Statistics for School Year Ending June 30, 1915.

Total cost for support of schools	\$59,517 55
Total cost for High School support	\$10,970 58
Enrollment	2,223 00
Average membership	2,104 97
Cost per pupil based on enrollment	\$26 77
Cost per pupil based on average membership	\$28 27
Cost per pupil for H. S. based on enrollment	\$37 96
Cost per pupil for H. S. based on average membership	\$42 46
Cost per pupil for ninth grade based on average membership	\$24 76
Cost per pupil for High School books	\$2 40
Cost per pupil for High School supplies	\$3 60
Cost per room for High School fuel	\$32 50
Cost per pupil for elementary supplies	98
Cost per pupil for elementary school books	64
Cost per room for elementary school fuel	\$35 29
Average cost per room for H. S. fuel past four years	\$82 05
Average cost per room for E. S. fuel past four years	\$78 79

School Census, September, 1915.

Five to seven years of age, 166 boys, 212 girls, total 378.

Seven to fourteen years of age, 793 boys, 846 girls, total 1,639.

Fourteen to sixteen years of age, 187 boys, 184 girls, total 371.

Certificates Issued in 1915.

Three hundred and thirty-six certificates to 254 persons (literate.)

Eight educational certificates to five persons, (illiterate.)

Fifty employment certificates to 36 persons.

Seven home permits.

The educational certificates are issued to persons from sixteen to twenty-one years of age.

The employment certificates are issued to persons from fourteen to sixteen years of age.

The home permits are issued to persons from fourteen to sixteen years of age.

Counting duplicates. we have written 802 certificates.

SAUGUS PUBLIC SCHOOLS.**Health Rules Governing the Attendance of School Children.**

(Approved by the Board of Health.)

RULE 1. All children, or other persons exposed to the infection of the following diseases, shall be excluded from the public schools for the following periods, dating from the latest exposure to such infection, unless provided with a physician's certificate according to law :

Chicken pox, 14 days; diphtheria, 8 days; measles, 12 days; mumps, 14 days; scarlet fever, 8 days; whooping cough, 14 days, and in case of other diseases or defects, for which exclusion is provided by law (unless otherwise provided by regulation of the board) until such time as satisfies the school physician that danger of infection is past.

RULE 2. A child from a family where typhoid fever, measles, cerebro spinal meningitis, whooping cough, German measles, chicken pox, mumps, or anterior poliomyelitis exists, but who has had the disease, may attend school, provided he or she presents a certificate from a practicing physician stating that in his opinion the child has had the disease.

RULE 3. Children with pediculi (lice) shall be excluded at once by the teacher or school physician, and provided with printed directions for the removal of the pediculi, and instructed to return at once after following the directions.

RULE 4. Children affected with ringworm, scabies, or impetigo contagiosa will be excluded from school by the school physician until such time as the disease is reported cured, or shows evidence thereof, and no longer liable to cause infection of other children. Cases so excluded should be re-admitted upon the written certificate of a school physician that these conditions have been fulfilled.

RULE 5. Children who have been ill with one or more of the diseases mentioned in Rule 1, shall be excluded from the school until the teacher has been furnished with a certificate from the Board of Health or from the attending physician or from the school physician.

RULE 6. The minimum periods of isolation for the diseases specifically mentioned in Rule 1 shall be as follows :

(a) Chicken pox, 15 days and thereafter, until all scabs have fallen off.

(b) Diphtheria, after two successive negative cultures have been obtained from the site of the disease, secured at least three days apart.

(c) Measles, 14 days and thereafter, until all catarrhal symptoms have ceased.

(d) German measles, 7 days after disappearance of eruption.

(e) Mumps, 21 days and thereafter, until all glandular swellings have disappeared.

(f) Scarlet fever, 42 days and thereafter, until desquamation is complete, and all discharges from the mucous membrane and ears have stopped.

(g) Whooping cough, 42 days and thereafter, until all spasmodic cough and whooping have ceased.

RULE 7. Under no circumstances is a child who has been absent with one of the diseases named in Rule 6, to be admitted in less than the number of days given for that disease.

Report of Principal of High School

Mr. William Fisher Sims, Superintendent of Schools, Saugus, Mass.

MY DEAR MR. SIMS,—In this, my second annual report of the Saugus High School, I am pleased to state that our total enrollment since September to date has been 310. This is an increase of 21 over last year's registration and eclipses any enrollment in the history of the school.

The following enrollment table may be of interest :

				Courses.			
				Classical.	English.	Commercial.	Totals.
First year	16	12	82	110
Second year	10	32	73	115
Third year	11	17	25	53
Fourth year	7	9	16	32
Totals .				44	70	196	310

We are pursuing the same curriculum as that of a year ago. This curriculum was made out that our graduates might meet the requirements for admission to colleges, technical and normal schools, and that we might inaugurate a complete and efficient commercial course. The subject matter of the College and English courses was largely determined by the requirements for admission to higher institutions of learning. The number of recitation periods per week for each subject was largely deter-

mined by the number of subjects absolutely necessary to teach, the length of the school day, and the number of teachers allowed to carry on the work of the school.

Mr. C. D. Kingsley, State Inspector of High Schools for the State Board of Education, and Mr. A. H. Sproul, head of the Commercial Department of Salem Normal School, made a thorough investigation of our work last fall. It was a simple matter for them to ascertain our total number of students and divide this by the number of pupils recommended per teacher for a "Class A" High School. Submitted to such a test in organization, we were found to be running with two teachers short of the number recommended for efficient work.

I am very glad, however, to further report that these two men, conducting the investigation, were good enough to look into the results we were getting and not condemn our work at once, because of this adverse circumstance in organization. At the end of their day's work, their conclusion was that we were getting the results that enabled them to give us the "Class A" rating.

Despite this good rating of our school, there are apparent weaknesses in the curriculum. These are particularly manifest in the fact that we require students to recite but four, instead of five times a week, in many subjects to which more time should be devoted, in order to cover the prescribed and required work. As a partial approach to what we should have, I recommend that our present curriculum be altered so that such subjects as beginner's Bookkeeping, beginner's French and German, some of the courses in Mathematics, and the first two years of work in English, require five recitations per week, instead of four as they now do, and that teaching force be provided which will be adequate to meet these needs.

I find a growing sentiment among educators to decry the amount of time spent on mathematics in our High School courses. I find among many men, in every locality where I have been, an ambition that high schools teach more in mathematics. To meet the demand of the employers of our graduates, we have so strengthened the work in our mathematics department that this year's graduates, who have elected this subject, will have completed, at the end of the year, Solid Geometry and Trigonometry. We hope next year to introduce into this department and correlate with the work in Manual Training, an adequate course in Mechanical Drawing and the use of the slide rule.

At the beginning of the year, we had seventeen typewriters. There were one hundred and twenty-nine students to take this subject. Since there are but six recitation periods each day, the seventeen machines could accommodate only one hundred and two out of the one hundred and twenty-nine students electing this subject. Much impatience on the part of both parents and students was evidenced until the addition of three new machines to the original seventeen relieved the greatest part of the congestion. It took nearly six weeks to relieve this congestion, and then a number of students could have a machine but four instead of five times a week.

It is economy to buy more machines, because a teacher of typewriting can have forty as well as twenty in one class. With forty machines, we could reduce a teacher's time on instruction in typewriting exactly one-half. This would allow her to instruct in other subjects and consequently save both time and salary.

I have known a good student, direct from High School, who has become a teacher of typewriting in Evening Commercial School, and eventually in High School. Under the supervision of a competent teacher, this method brings excellent results. Because we shall need an additional commercial teacher next year, I present this plan for additional teaching force for your consideration.

It has always seemed to me that better results could be obtained if we could increase our teaching time. The five-hour session is a result of the fact that five hours is the limit of time a person should go, during the day, without partaking of food. Hence, our present plan of one session. The long vacation was originally introduced so as to give boys an opportunity to work on the farm during its busiest season. The lunch counters, at nearly all schools, have done away with the reason for a five-hour session and the fact that the farm no longer demands the attention of so many of our students, does away with the reason for our long vacation. Why then does not our school session change in length of day and length of year? Surely, if a student can leave school at the age of fourteen and work eight hours a day, six days a week, he should be able to go to school more than five hours a day for five days a week. Superintendent Edson, of New York City, says the High School graduate of to-day has an education equal to the college graduate of his day. If this is so, I am sure some of the present cry that our schools

are inefficient can be satisfied by letting us have our students long enough to teach them, requiring no home work from them, instead of persisting in the present method of having them so short a time in school, and expecting that they and their parents will see to it that at least two hours daily are devoted to home study.

We are still fostering and supervising athletics. Our football team did remarkably well last fall. This is due to the fact that the boys were ready to begin where they left off last year and to the enthusiasm they received from their new instructor. The prospects for a good baseball season are very bright. We have, to date, two victories in basketball, with prospects for an excellent season.

A Girls' Athletic Association has been formed. Girls' classes in club swinging, wands and folk dancing are already continuing the work begun last year. To date, no arrangement has been made for basketball for the girls. The girls' game of basketball is as beneficial for girls as the boys' game is for boys. I believe, however, that girls should play this game for the benefit, to themselves, derived from the game. I am opposed to all public exhibitions of girls' basketball.

Our newly-formed debating society bids fair to be a flourishing organization. The membership of this society is confined to members of the two upper classes and to those of the second year class who possess particular aptitude for the work. For a time, the debates are to be held before club members only. Later, it is hoped that at least one debate may be conducted which will be public and an exhibition of the year's work.

It is often remarked that girls ought to learn, at home, many of the things taught in our Domestic Science Department. We believe that this is so. They should. But they do not. This is because the very demand of modern times on the American woman's day is such that old-time instruction of home duties in the house is impossible. The children of foreign parentage do not always have, at home, Americanizing influences. How shall they be Americanized? By the schools? Yes, but principally through our instruction in Domestic Science. We claim, then, that this work is no luxury but a necessity both for the American and foreign-born pupil. It is only one other necessity forced into our curriculum by the very circumstances of modern ways. A visit to our Domestic Science Department will prove to anyone its efficiency and worth.

The work in Manual Training, under the new instructor, has been conducted according to methods differing from those employed last year. The interest of the boys in this work has doubled so that it is not infrequent to receive petitions from them to be allowed to do extra work on the pieces they are constructing. The new models being made, as samples for the boys to copy, are very attractive in design and finished in workmanship.

During the Christmas vacation, two of the girls in our Senior class were offered positions in Boston offices. These girls were students who had no conditions in any of their work. They were allowed to leave school on the condition that they should do the work prescribed for the class in Senior English and were assured if their office work was satisfactory to their employers, we would count their efforts as commercial work satisfactorily done at High School.

We are proud to report that both students are giving entire satisfaction and earning good salaries. The above policy is advocated for only those students who deserve special privilege on account of the excellence of the work they have done. It is also in line with the policy that we advocated last year, that the Commercial Department must turn out a "finished product," which is not true of the other two departments.

The school is very fortunate, because only three members of last year's faculty were induced to leave us for more lucrative positions. The faculty this year, I feel, is a very strong working unit. It is hoped that every effort will be made to retain, as nearly as possible, a permanent teaching corps. Frequent changes in the teaching staff are disorganizing to a school and, in many cases, prove to be expensive.

Lists of all students who have attained a rank of "B" and have not been absent from school, except for sickness, during any one marking period, are being prepared. These are to be known as "honor lists." They will be posted, after each marking period, on the bulletin boards and we hope will be an incentive toward better scholarship. A special honor list will be similarly prepared, containing the names of all students who attain a rank of "A" in all subjects.

The early morning session has brought with it difficulties, which were to be expected; but I feel that, on the whole, less trouble has been met than was anticipated. Cases of tardiness seem to be less this year, instead of more as might naturally be expected, but the absence list is frightful. The greater part of

absences has been during the past two months and has been due to the many prevalent epidemics. What we have been contending with, may be seen from the fact that on one day in a room, where there should have been thirty-three pupils, there were but sixteen. The others were out because of "measles."

We hope that the movement, started last year, for the purpose of obtaining a public playground and field for athletic contests, accomplishes its purpose this spring. The High School is particularly interested in the project of incorporating a gymnasium in the proposed new school building.

Respectfully submitted,

ARTHUR L. WILLIAMS.

CLASS ODE

Words and Music by E. A. Musick

Tonight, dear classmates, we are leaving,
 Our happy High School days are o'er.
 Launched on life's journey we're beginning,
 Those scenes we'll cherish ever more.

Though life's long battle is a hard one,
 Yet we must work with might and main;
 And with the teachings of our High School,
 Success we surely will attain.

Our class of Nineteen Fifteen e'er has tried
 To hold and keep the standard high.
 Our motto: "Launched, but not yet anchored,"
 Will guide us on as years roll by.

Tonight our time has come for parting.
 Press onward, then, my classmates, dear,
 And may we ever keep in mem'ry
 The many ties we've cherished here.
